

## Remediation Plan for Graduate Student in HDFS

Student name \_\_\_\_\_ Date \_\_\_\_\_

*Using as much space as needed, describe the area(s) of deficiency. Include information (names, dates, specific violations, specific events or examples of ways in which the student did not meet departmental expectations, concerns identified in Qualifying Reviews) if they are relevant to the context, and/or explain rationale for remediation*

*Using as much space as needed, describe the remediation plan (include specific objectives and the dates by which these objectives will be met, and/or describe specific expectations for behavior and the duration for these expectations).*
