STUDENTS -- RELEASE OF RECORDS**

Home Education

A Home Education program is the sequentially progressive instruction of a student directed by his or her parent in order to satisfy the attendance requirement of F.S. 1002.01, 1002.41, 1003.01(13), and 1003.21(1).

Home Education programs must meet the following registration and compliance requirements (F.S. 1002.41):

- Parents must register Home Education students with the district school superintendent of the county in which the parents reside within 30 days of the establishment of the Home Education program.
- Parents must provide written notice of termination to Pasco County Schools within 30 days of the termination of a Home Education program.
- ***Parents must maintain a portfolio of records, educational activities and materials. Portfolios are to be preserved for two (2) years and shall be made available for the district school superintendent, or the district school superintendent's designee, upon 15 days' written notice.***
- Parents shall provide for annual educational evaluations documenting that the student's educational progress is at a level commensurate with his or her ability.
- A Home Education program shall be excluded from meeting the requirements of a school day. Home education students must follow all the rules set forth in Florida Statute 1002.41, even if the student is participating in virtual curriculum

I have read and agreed to abide by the above guidelines. I will have my child's portfolio to the school for review within 15 days of enrollment or the student grade status may be reviewed by administration.
