

IVolunteer International Partnership Proposal

Purpose

The purpose of this partnership proposal is to invite voluntary social service organizations, corporates and government organizations worldwide to partner with IVolunteer International (*herein referred to as IV*).

Vision

To contribute to elevating the quality of human life across the globe.

Objectives

1. Maintain an online platform at all times to connect IVolunteer chapters and individual volunteers together and with organizations to enhance and engage possible volunteer opportunities.
2. Partner with organizations with similar interests (NGOs, Corporates and Civil Society Organizations) to (1) plan, organize and initiate projects, (2) initiate and establish volunteer opportunities, and (3) act as a resource base.
3. Organize projects under the avenues of (1) foreign exchange, (2) community service, (3) fundraising, (4) international awareness, and (5) peacekeeping.

How-it-Works

• Confirmation of Partnership

Step 1	IVolunteer International will forward this partnership proposal to a representative of your organization. The representative then will forward the document to the primary decision making body of your organization for review and confirmation. When the partnership is being considered, we highly encourage your attention to more information about IVolunteer Partnerships and it's benefits.
Step 2	After the document is reviewed and the decision is to confirm the partnership, an executive member of your organization will submit the confirmation of partnership .
Step 3	A representative from IVolunteer International will get back to the representative who submitted the confirmation of partnership for further information and mutual understanding.

- **Partnership Activities**

As long as the partnership prevails, your organization will be provided with priority advancement for recruitment of volunteers, sponsors, external partnerships and international liaisons through our platform.

Step 1	Whenever your organization has a project in need of volunteers, sponsors or some aspect of marketing support, make sure to “Post an Opportunity.”
Step 2	The information will be reviewed. If more details are needed, a representative will get in touch with your organization.
Step 3	Within 72 hours after the step 1, we will publish and see to your need (recruiting volunteers, etc) and publish the requirement throughout our platforms.
Step 4	The volunteers will have the ability to sign up to your project or get in touch with you (depending on the project and your requirement) through our platform.

In return for our service, we wish your organization all the best in contributing to the society. For more information, email us at contact@ivint.org
