Volunteer Confidentiality Agreement

At EDUPRIZE SCHOOLS we rely heavily on the assistance of our volunteer parents. In many situations the parents work directly with the students and are actively involved in their learning. The parent volunteers also work with daily assignments and assessments.

We value all that you do and feel that you are an integral part of our program. We would like to remind you that it is very important to maintain the dignity and respect of our students by keeping all information you are privy to confidential.

Each child has the right to have his/her education information kept private. Due to the fact that our parents are quasi-professionals in our educational environment they are exposed to a lot of the educational information. There is no doubt that this educational information will be used only in a manner that is helpful to teachers and students.

Breaking confidentially will result in restriction in tasks or full access while on campus. This letter is just to serve as a reminder. Please sign the bottom of this form to be filled in your child's permanent records folder.

Thanks for all that you do for us and our wonderful students.

Dear EDUPRIZE Parents,

The Board of Directors has met to discuss behavior concerns on our campus. We feel strongly that attending our school is a privilege that comes with responsibility. We so value our relationship with our parents and most importantly with our students. It is our goal to meet the needs of every child both educationally and behaviorally. Our primary goal is to provide a safe and nurturing environment in which all students can flourish. Without appropriate behavior children cannot excel academically. With a unanimous vote, the Board has implemented a new policy which states that children with multiple suspensions must apply for enrollment consideration for the following year and that continuous enrollment is not assured. It is our goal to assist children in making better choices and we believe that rules and consequences help children to do so. Therefore, the following shall not be tolerated on our campus and will result in suspension or expulsion depending on the severity or number of infractions:

- Threats of any kind
- Sexual commentary
- Pornography
- Hitting or other Physical behaviors
- Inappropriate language
- Disrespect
- Unkind verbiage and actions
- Gang participation
- Vandalism/Theft
- Weapons
- Cigarettes, Drugs or Alcohol

We want to create the best people environment for all children. Please assist us by sharing this information with your child and talk about the importance of kindness, respect and appropriate student behaviors.

Please sign below to acknowledge this policy and return this form to your classroom teacher.

Sincerely,

Dr. Lynn Robershotte
Board President
