

Wi-Fi Alliance Implementer Membership Agreement

This Membership Agreement ("Agreement") is entered into as of the Effective Date (as defined in Section 7) by and between Wi-Fi Alliance, a California nonprofit mutual benefit corporation, and the company ("Applicant") identified in the accompanying Application (as defined below).

Background

Wi-Fi Alliance is a nonprofit corporation that has been formed to promote and certify the compatibility and interoperability of products and services that use the IEEE 802.11 standard. Applicant wishes to become a member of the Wi-Fi Alliance and to participate in Wi-Fi Alliance activities. Applicant is therefore submitting an application for membership by completing and submitting the on-line application. Wi-Fi Alliance requires that Applicant, as a condition to its admission as a member of Wi-Fi Alliance, agree to the terms, conditions and provisions of this Agreement. Applicant is willing to do so, as it acknowledges by its submission of the Application to Wi-Fi Alliance.

Agreement

In consideration of the admission of Applicant to Wi-Fi Alliance, Applicant hereby agrees as follows:

- 1. Articles of Incorporation, Bylaws, Guidelines and Policies.** Applicant agrees to comply with Wi-Fi Alliance Articles of Incorporation, Bylaws, guidelines and policies as in effect from time to time, including any rules or directives adopted by Wi-Fi Alliance board of directors in connection therewith (the "Governing Documents"), provided, however, that Applicant is not obligated to comply with Wi-Fi Alliance Intellectual Property Rights Policy. The Governing Documents are available at www.wi-fi.org and specifically includes Wi-Fi Alliance Implementer Membership Policy. Applicant acknowledges that it has reviewed copies of each of the Governing Documents and that it understands the contents of each of those documents. Applicant understands that these documents may be revised from time to time and new policies and guidelines may be added. Wi-Fi Alliance will post all such changes on its Web site at the above location and will send an e-mail to the membership that such changes have been posted. If Wi-Fi Alliance declines to address or respond to Applicant's objections, Applicant's sole and exclusive remedy is to resign its membership and to forfeit its remaining membership fees for the year. Applicant acknowledges that it is a non-voting member of Wi-Fi Alliance and that participants in the Implementer Membership category do not qualify as members of the corporation under the California Corporations Code.

2. **Membership Dues and Other Fees and Assessments.** The Applicant agrees to pay when due all dues, fees and assessments that are applicable to it, including the annual membership dues for its membership class and all fees imposed in connection with the Applicant's elective participation in optional membership activities.
3. **Confidentiality.**
 - a. *Applicant's Confidential Information.* Applicant agrees that it will not disclose to Wi-Fi Alliance or to any Wi-Fi Alliance member Applicant's nonpublic information of any kind in connection with its participation in Wi-Fi Alliance and its activities unless Applicant wishes to make that information public. Applicant agrees that Wi-Fi Alliance has no obligation to maintain as confidential any such information. The foregoing prohibition does not include any nonpublic information which becomes subject to a written nondisclosure agreement between Applicant and Wi-Fi Alliance.
 - b. *Wi-Fi Alliance Confidential Information.* Applicant shall not disclose to any third party that is not a member any information concerning Wi-Fi Alliance, its membership, or its activities unless Wi-Fi Alliance has publicly disclosed that information or Wi-Fi Alliance board of directors has authorized its disclosure.
4. **Intellectual Property Rights.** Applicant will respect any intellectual property rights that Wi-Fi Alliance may acquire from time to time and shall not take any action that is inconsistent with Wi-Fi Alliance ownership of those rights. Without limitation, Applicant shall comply with the terms and requirements of the applicable mark usage manual and license agreement for any mark that Wi-Fi Alliance licenses to it. Should Applicant provide to Wi-Fi Alliance, for its use or for the use of its members, any materials that are subject to the laws of copyright (such as but without limitation, white papers, marketing collateral and the like), Applicant hereby grants to Wi-Fi Alliance a worldwide, irrevocable, royalty-free, payment-free, copyright license to incorporate such materials and any modifications thereof in the creation of a Wi-Fi Alliance publication; to register a copyright in Wi-Fi Alliance's name any Wi-Fi Alliance publication even though it may contain portions of such materials; and at Wi-Fi Alliance's sole discretion to permit others to reproduce in whole or in part the resulting Wi-Fi Alliance publication. Should Applicant during any Wi-Fi Alliance plugfest, task group, committee or subcommittee meetings or while reviewing any Wi-Fi Alliance work item (including but not limited to any prospective Wi-Fi Alliance specification) provide to Wi-Fi Alliance, for its use or for the use of its members, any information that is subject to one or more patents owned or controlled by Applicant, Applicant agrees that it will license such patent(s) to anyone desiring

to implement the information containing such patent(s) on fair, reasonable and non-discriminatory terms and conditions or on a royalty-free basis.

5. **Press Releases.** Applicant agrees that Wi-Fi Alliance or any Wi-Fi Alliance member may indicate in its press releases and other public announcements that Applicant is a member of and participates in Wi-Fi Alliance, provided that any such reference shall be accurate and Applicant shall not be portrayed in a manner that criticizes Applicant or places it in a negative light. Likewise, Applicant agrees that its use of the name of Wi-Fi Alliance or any of its members shall comply with the foregoing restrictions. Wi-Fi Alliance shall have a limited, non-exclusive, fully-paid license to use Applicant's name and any logo that Applicant provides to Wi-Fi Alliance to identify Applicant as a Wi-Fi Alliance member on Wi-Fi Alliance's Web site, in its press releases, and in its public announcements.
6. **Certification Programs.** Applicant is eligible to utilize Wi-Fi CERTIFIED parent products to certify their end products as a replicated certification. Should Applicant elect to participate in any product or service certification program of Wi-Fi Alliance, it shall comply with all applicable program requirements.
7. **Execution; Effective Date; and Term.** This Agreement is executed by Applicant upon Applicant's submission to Wi-Fi Alliance of the application. This agreement is executed by Wi-Fi Alliance and shall commence upon notification by Wi-Fi Alliance that it has accepted member's application for membership (the "Effective Date"). This Agreement shall remain in effect until Wi-Fi Alliance or Applicant terminates Applicant's membership as provided herein. Applicant may terminate this Agreement concurrently with the termination of its membership by providing Wi-Fi Alliance with written notice of such termination. Wi-Fi Alliance may terminate this Agreement concurrently with the termination by Wi-Fi Alliance of Applicant's membership for the reasons and pursuant to the procedure established from time to time in the Governing Documents. All fees paid by Applicant prior to termination are non-refundable.
8. **Transfer of Membership.** Applicant's membership and this Agreement are personal to Applicant and are not transferable without the prior written consent of Wi-Fi Alliance. A membership may be transferred in accordance with the procedures established by Wi-Fi Alliance from time to time.
9. **Indemnity.** Applicant agrees to defend and indemnify Wi-Fi Alliance and its officers, directors, employees, agents, and members (each an "Indemnified Party") and hold them harmless from and against any and all damages, judgments, costs (including without limitation reasonable attorneys' fees), claims and liabilities that an Indemnified Party may sustain as a result of (i) the breach

by Applicant of the provisions of this Agreement, (ii) Applicant's failure to comply with the Governing Documents, and (iii) any violation of any law, regulation, rule, ordinance, or judicial or administrative order by Applicant while participating in Wi-Fi Alliance activities.

10. Limitation of Liability. UNDER NO CIRCUMSTANCES WILL A PARTY TO THIS AGREEMENT BE LIABLE TO ANY OTHER PARTY UNDER ANY CONTRACT, STRICT LIABILITY, NEGLIGENCE OR OTHER LEGAL OR EQUITABLE THEORY, FOR ANY INCIDENTAL INDIRECT, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR FOR ANY COMMERCIAL OR ECONOMIC LOSSES, WITHOUT LIMITATION, INCLUDING AS A RESULT OF INFRINGEMENT OR PRODUCT LIABILITY CLAIMS, CONNECTION WITH THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

11. Miscellaneous. This Agreement and the documents referenced herein constitute the entire agreement between the parties. This Agreement may be modified or amended only by a subsequent writing signed by the authorized representative of each party. Wi-Fi Alliance may modify the Governing Documents at any time pursuant to the terms of section 1 of this Agreement, subject only to any limitations imposed by law. No delay or omission by either party in exercising any right under this Agreement will operate as a waiver of that or any other right. All waivers by either party hereto must be contained in a written instrument signed by the party to be charged. A waiver or consent given by either party on any one occasion is effective only in that instance and will not be construed as a bar to or waiver of any right on any other occasion. In any dispute hereunder, the prevailing party shall be entitled to recover its reasonable attorneys' fees, costs and other expenses. All notices shall be deemed given upon personal delivery, upon confirmed delivery if sent by overnight courier or other means that provides tracking and delivery information, or upon confirmation of delivery by e-mail in accordance with established Wi-Fi Alliance procedures, if sent to the address listed in the membership records of the organization. This Agreement is governed by and will be construed in accordance with the laws of the State of California as applied to contracts entered into and wholly performed therein by residents thereof, and the state and federal courts of California shall be the exclusive forum. This Agreement is entered into for the benefit of Applicant and Wi-Fi Alliance and not for the benefit of any third party. Similarly, Applicant agrees that it will not assert rights under any agreement between Wi-Fi Alliance and any other member unless such agreement provides by its express terms that Applicant is an intended beneficiary of that agreement. In the event that any of the provisions of this Agreement shall be held to be either illegal or unenforceable, in whole or in part, under any enactment or rule of law, such term

or part shall to that extent be deemed not to form part of this Agreement but the validity and enforceability of the remainder of this Agreement shall not be affected. In the event that there is a conflict between this Agreement and the Articles of Incorporation and Bylaws of Wi-Fi Alliance, the Articles of Incorporation and the Bylaws of Wi-Fi Alliance shall control. In the event that there is a conflict between this Agreement and any policy of Wi-Fi Alliance (including but not limited to the Intellectual Property Rights Policy), this Agreement shall control.
