

## Association of Indiana Counties Request for 2021 Annual Conference Workshop Proposals

The Association of Indiana Counties (AIC) offers 10 workshops during our Annual Conference. The 2021 Annual Conference will take place September 20 thru September 23 at Belterra Casino & Resort in Switzerland County. The workshops will be offered during four different time slots beginning at 8:30 a.m. on **Wednesday, September 22, 2021.**

Workshops typically address issues that at least two of our affiliate groups (clerks, council, assessors, etc.) would be interested in. Workshops are usually presented in a panel format with 3-4 different experts making short presentations, and then the entire group engaging in a topical discussion that is led by a moderator. Workshops are scheduled to last for 1 hour and 15 minutes. Each room will be equipped with a projector, microphone, and computer.

We are accepting workshop proposals from Associate Members only. Please fill out the form below and return via email to Dustin Renner at [drenner@indianacounties.org](mailto:drenner@indianacounties.org). **Proposals are due by April 27, 2021.**

Workshops and speakers will be finalized in June. Topics are chosen based on a variety of factors including, but not limited to: variety of subject matter, topical and useful information and recent information presented by AIC. You or a member of your organization will be contacted if the AIC would like you to take part in a workshop. All proposals will be kept on file for possible future use, including articles in the Indiana News 92 Magazine or additional education courses.

Please be aware that your proposal may be combined with other proposals or adjusted to meet our membership needs.

If you have any questions about the Workshop Proposal, please contact Dustin Renner at 317-829-3658 or [drenner@indianacounties.org](mailto:drenner@indianacounties.org).
