 (email inquiries preferred)

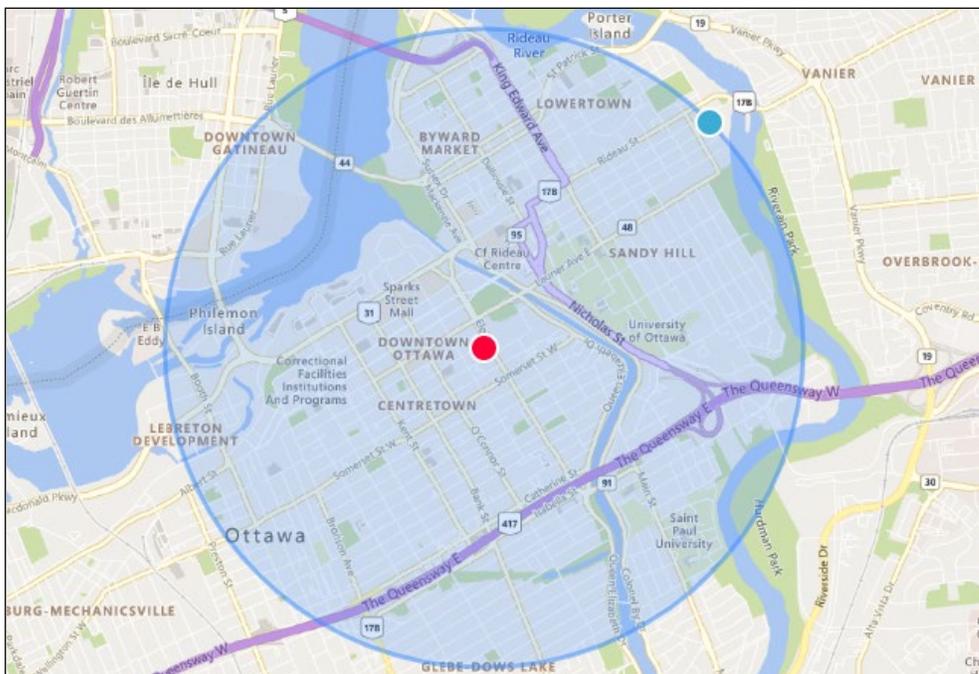

Submission Deadline: Friday, November 12th, 2021

About CAMRT

The Canadian Association of Medical Radiation Technologists (CAMRT) is Canada's national professional association and certifying body for medical radiation technologists and therapists across the country. There are four disciplines represented among CAMRT's membership: radiological technology, magnetic resonance, nuclear medicine and radiation therapy. CAMRT is the national body that, in a partnership with provincial organizations, share a common membership of approximately 11,000.

Overview

For 2022-2024, CAMRT is seeking a corporate hotel in Ottawa to hold meetings related to governance, committees, education, staff and other CAMRT business meetings. The meetings differ in nature, some requiring only meeting space while others require meeting space and guestrooms. Appendix A contains a chart listing of meetings anticipated to be taking place in 2022. We are looking for a property that is within a 2km radius of our offices which are located at 180 Elgin Street in Ottawa.

Guest Room Requirements

CAMRT seeks a competitive corporate rate that should apply to guestrooms associated with meetings held at the hotel as well as guestrooms booked by individuals who are attending smaller meetings held at the CAMRT head office.

For guestrooms associated with meetings, CAMRT usually submits a rooming list. However, there will be instances where guests will need the ability to register individually, perhaps with a corporate code or link.

Requirements

- Complimentary wireless internet
- On occasion, suites at a reduced cost for the CAMRT President and other VIPs
- All reservations must be guaranteed for late arrival
- The corporate rate must apply three nights pre and post meeting dates.

Assets

- Complimentary upgrades to club level guestrooms for Board of Directors meetings

Meeting Room Requirements

Meeting room requirements vary; please refer to Appendix A for a snapshot of the typical annual requirements for CAMRT.

Requirements

- Ability to host meetings (Ushape) for 5- 25 attendees
- Wireless internet in the meeting rooms; preference will be given to those who provide complimentary service

Assets

- Meeting rooms with ample space and no obstructions, such as pillars, are preferred
- A dedicated complimentary lunchroom for the Board of Directors meetings
- Large enough meeting rooms to accommodate meals inside the room

Meeting Package

CAMRT is interested in a flexible meeting package rate per person that includes meeting room rental, food and beverage, basic A/V, and complimentary wireless internet in the meeting rooms.

Most CAMRT meetings will include all or a combination of breakfast, 2 refreshment breaks and lunch. CAMRT would like the flexibility of using meal chits for breakfast in the restaurant, to accommodate guests with jet lag by offering a flexible breakfast time in the restaurant. The ability to offer a variety of lunch options is of importance as some of the meetings that will be booked will last up to 5 days.

Occasionally a reception or dinner is held in conjunction with a CAMRT meeting.

For most meetings, basic audio-visual equipment is required: screen, projector, and laptop.

Assets

- Basic AV included
- Complimentary flip charts and markers, extension cords, power bars

Special Consideration

Special consideration will be given to hotels who will provide the following:

- All-inclusive flexible meeting packages
- Complimentary wireless internet in guest rooms and meeting rooms
- Gym memberships to CAMRT staff at a reduced rate

Submission deadline

Proposals must be received **no later than Friday, November 12, 2021** To submit a proposal or for further information please contact Ashley Craven, acraven@camrt.ca (email inquiries preferred).
