Request for Proposal 2015-009

I. General Information

- A. AACOG is a voluntary association of governmental units representing Bexar County and the surrounding twelve counties.
- B. The Alamo Area Council of Governments (AACOG) is requesting proposals from firms to provide construction proposals for several areas within the office building located at 8700 Tesoro Dr. San Antonio, TX 78217.
- C. Requests for Proposals (RFP) are issued under the authority of the Government Code, Chapter 2254, Subchapter B, which delineates the statutory requirements governing invitations for proposals and request for offers by state agencies.
- D. It is the policy of AACOG to encourage participation by small and historically underutilized businesses (HUBS), as defined in Government Code, Chapter 2161, as contractors to AACOG.

“Historically underutilized business (HUB): means an entity with its principal place of business in this state that is:

- a corporation formed for the purpose of making a profit in which 51 percent or more of all classes of the shares of stock or other equitable securities are owned by one or more economically disadvantaged persons who have a proportionate interest and actively participate in the corporation's control, operation, and management;
 - a sole proprietorship created for the purpose of making a profit that is completely owned, operated, and controlled by an economically disadvantaged person;
 - a partnership formed for the purpose of making a profit in which 51 percent or more of the assets and interest in the partnership are owned by one or more economically disadvantaged persons who have a proportionate interest and actively participate in the partnership's control, operation, and management;
 - a joint venture in which each entity in the venture is a historically underutilized business, as determined under Government Code Chapter 2161; or
 - a supplier contract between a historically underutilized business as determined under Government Code, Chapter 2161 and a prime contractor under which the historically underutilized business is directly involved in the manufacture or distribution of the goods or otherwise warehouses and ships the goods.
- E. It is the goal of AACOG to include HUBs in at least 10 percent (10%) of the total value of contracts awarded annually.
 - F. AACOG maintains an active program for the identification and placement of small and HUB businesses on bidders' mailing lists, and to provide information and other assistance to facilitate the use of such firms as contractors to the maximum extent practical. Small and HUB business seeking contracting opportunities should file a "Request to be Added to Bidder/Vendor List" with the AACOG Procurement Department, 8700 Tesoro Dr., Suite 700, San Antonio, TX 78217.
 - G. The bidder/proposer affirms that he has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip,
