Mentoring Partnership Goals and Strategies

Setting clear goals at the beginning of the mentoring relationship is critical. Be sure to spend some time reflecting and discussing these goals together. Briefly describe the goals you and your MJ partner plan to work towards this year.

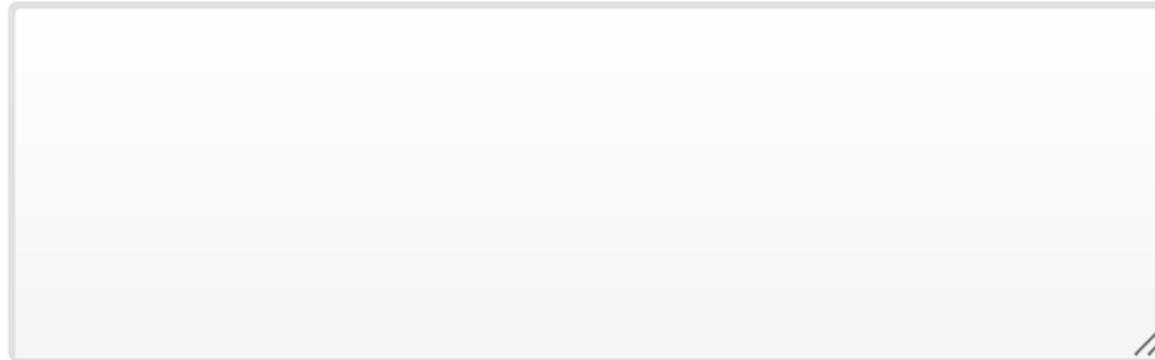

Goal 1 [500 character limit]

Goal 2 [500 character limit]

Briefly list the strategies/activities you and your Mentor Jackets partner plan to use to achieve your goals [500 character limit]

Mentors can also learn from their mentees. List any goals your mentor has

for this year (suggestions: new industry trends, new technology, new developments on Tech's campus, etc.)

Confirmation

I confirm that my mentor and I have discussed this information and pledge to do our best to fulfill these expectations.
