I understand that The Restoration Team (TRT) will make the Temporary repairs listed above (in this Section I) utilizing volunteer labor, some, or all, of which may be unskilled laborers, depending on the repair, and that these repairs are being made at no cost to me and in furtherance of the ministry of TRT. I further understand that TRT does not warrant its work or provide any guarantee on its fitness for a particular purpose, and I accept any work performed by TRT on an "AS IS" basis. I hereby agree to release TRT its personal representatives, agents, volunteers, successors and assigns, from any and all past, present and future claims, demands, obligations, causes of action for damages of any kind, known or unknown, in any way related to the above repairs or based upon any construction performed by TRT at the residence listed above, whether founded upon contract, common law, breach of warranty, consumer protection, and/or workmanship.

I understand that TRT has the right to stop work on my property should TRT determine, in its sole discretion, that completion of the above repairs cannot be made 1) without posing a risk to the volunteers TRT members, and/or me or members of my household, or 2) without damaging the reputation of TRT . I understand that should problems arise with the work performed or should further repairs be required, I have the duty to request that TRT make any such repairs (to be agreed upon in Section II); however, TRT is not required to make any such repairs and will perform such repairs only if, in its sole discretion, it has adequate time, materials, and labor available to do so. All repairs undertaken in Section II are also governed by all the same releases and waivers contained in this Section I TRT **will only complete repairs agreed upon in writing on this form. Any verbal representations are null and void and of no effect.**

I understand that, while volunteers are working or present on my property, there is to be no use of drugs, synthetic drugs, alcohol, or firearms by me, any member of my household and/or any guest. I also understand that I am responsible for maintaining a hospitable environment free of any type of harassment against any TRT volunteers, staff or officer members regardless of their age, gender, race, ethnicity, religion or sexual orientation.

I understand that, while volunteers are working or present on my property, I am solely responsible for any children who live in or visit my home. I take full responsibility for their supervision and safety, and will remove them from work areas if requested to do so. I understand that TRT volunteers are unable to serve as supervisors for the children and will not leave children in their care.

I acknowledge that should TRT determine, in its sole discretion, that the environment on my property poses a danger, or is harmful to any volunteer or TRT. member, or does not promote or further its ministry, TRT has the right to immediately stop all work on the project regardless of the current status of the repairs being made and is not required to put the property back into its original state prior to the repairs being undertaken.

I understand that if I am available and able, or if any other relative on the premises is available and able, assistance with the repairs is requested provided it does not pose a risk to any TRT volunteer, staff members, and/or members of my household.

All references to “I” shall include any and all minors or incapacitated persons for whom I am legally responsible and shall include the singular and plural, as necessitated by content. If this is an owner-occupied property, all adults who own an interest in the property or otherwise reside on the property are required to sign this Agreement. If this property is a tenant-occupied (i.e., not owner-occupied) property, an adult tenant/resident and all owners of the property are required to sign this Agreement. Owner of tenant occupied property must also sign the “Lease Amendment”.
