

Contract for Move Out Vacancy Cleaning

This contract is made between _____ (hereafter known as the Client)
and Mari Maids house cleaning services (also known as contractor)

The Client desires to have move-out vacancy cleaning services performed upon the Client's premises
located at _____

This cleaning service will prepare the interior of the premises to be occupied by new tenants. We do not
clean carpets, do repairs or paint.

Mari Maids will clean the following:

Ceiling fixtures and fans, walls, doors, door jambs, sliding glass doors inside and out and door tracks, light
switches, interior windows, window tracks, vacuum carpets, sweep-mop all hard surface floors, kitchen
cabinets interior and exterior, refrigerator interior and exterior, refrigerator will be move to clean in back of
and underneath refrigerator, oven interior and exterior, kitchen sink and fixtures, bathroom toilets, sinks,
tubs and showers and all baseboards.

Mari Maids asks that the client conduct a final inspection, when cleaning has been completed, and before
the workers leave the premises. At this time, if the client finds anything unsatisfactory or incomplete
cleaning the client will bring to the attention of the worker in charge and the unsatisfactory or incomplete
work will be redone.

Costs of these cleaning services are calculated on \$30/hour per worker. (Example: 3 workers working 3
hours will total 9 hours @ \$30/hour or \$270.00.)

Client understands and agrees to pay these rates at the time work is completed:

Client's signature, date

Contractor's Signature, date

Client's printed name

Client's street address, city, state, ZIP code
