Your employer will advise of any additional information / documentation requirements to complete relevant pre-employment checks.

DOCUMENTATION HINTS AND TIPS

If you have previously completed an RMO application, use the same login details (email address and password) for documents to pre-load to your new application. You **MUST** however ensure that the pre-loaded documents are current.

- All files uploaded to your application must be saved in PDF format and ensure they are no larger than 2MB.
- If you need to upload two or more documents as **ONE file**, scan all documents together, save as PDF format and upload to your application. (Note: these must not exceed 2MB)
- Proof of Identity documents must be current and must include at least one type of photographic ID and identification that contains a signature and date of birth.
- If your Surname does not match on your application or documents, a Marriage Certificate/Change of Name Certificate is required to be uploaded.
- If a document is not in English, an English translation from a translator approved by the National Accreditation Authority for Translators and Interpreters (NAATI) is required.
- For overseas applicants, local documents issued by equivalent overseas authorities are accepted.
- For further queries or information, please email RMO-recruitment@health.qld.gov.au
