2. *General Description of Work and Responsibility for Administration and Performance.* Subject to the allocations of responsibility for administration and performance thereof as shown in Schedule B (attached), the work of the Project may consist generally of the categories of work marked and described in Schedule B for the scope and phase in effect according to Schedule A or one or more Supplemental Schedule(s) A as may hereafter be executed and approved by the parties hereto as required for a State contract, and any additions or deletions made thereto by NYSDOT subsequent to the development of such Schedule(s) A for the purposes of conforming to New York State or to Federal Highway Administration requirements.

The Municipality/Sponsor understands that funding is contingent upon the Municipality/Sponsor's compliance with the applicable requirements of the "Procedures for Locally Administered Federal aid Projects" (available through NYSDOT's web site at <https://www.nysdot.gov/plafap>, and as such may be amended from time to time.

3. *Municipal/Sponsor Deposit.* Where the work is performed by consultant or construction contract entered into with NYSDOT, or by NYSDOT forces, and unless the total non-Federal share of the Project phase is under \$5,000, the Municipality/Sponsor shall deposit with the State Comptroller, prior to the award of NYSDOT's contract or NYSDOT's performance of work by its own forces, the full amount of the non-Federal share of the Project costs due in accordance with Schedule A.

4. *Payment or Reimbursement of Costs.* For work performed by NYSDOT, NYSDOT will directly apply Federal aid and the required Municipality/Sponsor Deposit for the non-Federally-aided portion, and, if applicable, shall request Thruway Authority funding of Marchiselli aid to the Municipality/Sponsor as described below. For work performed by or through the Municipality/Sponsor, NYSDOT will reimburse the Municipality/Sponsor with Federal aid and, if applicable, Marchiselli aid as described below. NYSDOT will make reimbursements periodically upon request and certification by the Sponsor. The frequency of billing must be in conformance with that stipulated in the *NYSDOT Standard Specifications; Construction and Materials (section 109-06, Contract Payments)*. NYSDOT recommends that bills not be submitted more frequently than monthly for a typical project. In all cases, bills must be submitted at least once every six months.

4.1 *Federal aid.* NYSDOT will administer Federal funds for the benefit of the Municipality/Sponsor for the Federal share and will fund the applicable percentage designated in Schedule A of Federal aid participating costs incurred in connection with the work covered by this Agreement, subject to the limitations set forth on Schedule A. For work performed by or through the Municipality/Sponsor, NYSDOT will reimburse Federal aid-eligible expenditures in accordance with NYSDOT policy and procedures.

4.1.1 *Participating Items.* NYSDOT shall apply Federal funds only for that work and those items that are eligible for Federal participation under Title 23 of U.S. Code, as amended, that requires Federal aid eligible projects to be on the Federal aid Highway System ("FAHS"), except for bridge and safety projects that can be off the FAHS. Included among the Federal participating items are the actual cost of employee personal services, and leave and fringe benefit additives. Other participating costs include materials and supplies, equipment use charges or other Federal Participating costs directly identifiable with the eligible project.

4.2 *Marchiselli Aid (if applicable).* NYSDOT will request Thruway Authority reimbursement to the Municipality of the upset amount and designated percentage in Schedule A of the non-overmatched non-Federal share of Federal participating cost, (the "State share"), incurred in connection with the work covered by this Agreement, subject to the limitations set forth on Schedule A. Not all Federal aid-eligible participating costs are eligible for Marchiselli aid. Only "Eligible Project Costs" (as defined in Marchiselli Program instructions issued by NYSDOT) incurred after April 1, 1991 are reimbursable.

4.2.1 *Marchiselli Eligible Project Costs.* To be eligible for Marchiselli Aid, Project costs must: (a) be eligible for Federal participation as described under §4.1; (b) be for work which, when completed, has a certifiable service life of at least 10 years; and (c) be for a work type that relates directly and exclusively to a municipally-owned highway, bridge or highway-railroad crossing off the State Highway System.

4.3 In no event shall this Agreement create any obligation to the Municipality/Sponsor for funding or reimbursement of any amount in excess of:

- (a) the amount stated in Schedule A for the Federal Share; or
- (b) the amount stated in Schedule A as the State (Marchiselli) share or the amount stated in the Comprehensive List, whichever is lower.

4.4 All items included by the Municipality/Sponsor in the record of costs shall be in conformity with accounting procedures acceptable to NYSDOT and the FHWA. Such items shall be subject to audit by the State, the federal government or their representatives.

4.5 If Project-related work is performed by NYSDOT, NYSDOT will be paid for the full costs thereof. To effect such payment, the reimbursement to the Municipality/Sponsor provided for in sections 4.1 and 4.2 above may be reduced by NYSDOT by the amounts thereof in excess of the Municipality/Sponsor Deposit available for such payment to NYSDOT.

5. *Supplemental Agreements and Supplemental Schedule(s) A.* Supplemental Agreements or Supplemental Schedule(s) A may be entered into by the parties, and must be executed and approved in the manner required for a State contract. A Supplemental Schedule A is defined as a Supplemental Agreement which revises only the Schedule A of a prior Agreement or Supplemental Agreement. In the event Project cost estimates increase over the amounts provided for in Schedule A, no additional reimbursement shall be due to the Municipality/Sponsor unless the parties enter into a Supplemental Agreement or Supplemental Schedule A for reimbursement of additional Eligible Project Costs.

6. *State Recovery of Ineligible Reimbursements.* NYSDOT shall be entitled to recover from the Municipality/Sponsor any monies paid to the Municipality/Sponsor pursuant to this Agreement which are subsequently determined to be ineligible for Federal aid or Marchiselli Aid hereunder.

7. *Loss of Federal Participation.* In the event the Municipality/Sponsor withdraws its approval of the project, suspends or delays work on the Project or takes other action that results in the loss of Federal participation for the costs incurred pursuant to this Agreement, the Municipality/Sponsor shall refund to the State all reimbursements received from the State, and shall reimburse the State for 100% of all preliminary engineering and right-of-way incidental costs incurred by NYSDOT. The State may offset any other State or Federal aid due to the Municipality/Sponsor by such amount and apply such offset to satisfy such refund.

8. *Municipal/Sponsor Liability.*

8.1 If the Municipality/Sponsor performs work under this Agreement with its own forces, it shall be responsible for all damage to person or property arising from any act or negligence performed by or on behalf of the Municipality/Sponsor, its officers, agents, servants or employees, contractors, subcontractors or others in connection therewith. The Municipality/Sponsor specifically agrees that its agents or employees shall possess the experience, knowledge and character necessary to qualify them individually for the particular duties they perform.

8.2 The Municipality/Sponsor shall indemnify and save harmless the State for all damages and costs arising out of any claims, suits, actions, or proceedings resulting from the negligent performance of work by or on behalf of the Municipality/Sponsor its officers, agents, servants, employees, contractors, subcontractors or others under this Agreement. Negligent performance of service, within the meaning of this section, shall include, in addition to negligence founded upon tort, negligence based upon the Municipality/Sponsor's failure to meet professional standards and resulting in obvious or patent errors in the progression of its work.

8.3 The Municipality/Sponsor shall at all times during the Contract term remain responsible. The Municipality/Sponsor agrees, if requested by the Commissioner of Transportation or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

8.4 The Commissioner of Transportation or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Municipality/Sponsor. In the event of such suspension, the Municipality/Sponsor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Municipality/Sponsor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of Transportation or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

8.5 Upon written notice to the Municipality/Sponsor, and a reasonable opportunity to be heard with appropriate Department of Transportation officials or staff, the Contract may be terminated by the Commissioner of Transportation or his or her designee at the Municipality's/Sponsor's expense where the Municipality/Sponsor is determined by the Commissioner of Transportation or his or her designee to be non-responsible. In such event, the Commissioner of Transportation or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

9. *Maintenance.* The Municipality/Sponsor shall be responsible for the maintenance of the project at the sole cost and expense of the Municipality/Sponsor. If the Municipality/Sponsor intends to have the project maintained by another, any necessary maintenance agreement will be executed and submitted to NYSDOT before construction of the Project is begun. Upon its completion, the Municipality/Sponsor will operate and maintain the Project at no expense to NYSDOT; and during the useful life of the Project, the Municipality/Sponsor shall not discontinue operation and maintenance of the Project, nor dispose of the Project, unless it receives prior written approval to do so from NYSDOT.

9.1 The Municipality/Sponsor may request such approved disposition from NYSDOT where the Municipality/Sponsor either causes the purchaser or transferee to assume the Municipality/Sponsor's continuing obligations under this Agreement, or agrees immediately to reimburse NYSDOT for the pro-rata share of the funds received for the project, plus any direct costs incurred by NYSDOT, over the remaining useful life of the Project.

9.2 If a Municipality/Sponsor fails to obtain prior written approval from NYSDOT before discontinuing operation and maintenance of the Project or before disposing of the project, in addition to the costs provided, above in 9.1, Municipality/Sponsor shall be liable for liquidated damages for indirect costs incurred by NYSDOT in the amount of 5% of the total Federal and non-Federal funding provided through NYSDOT.

9.3 For NYSDOT-administered projects, NYSDOT is responsible for maintenance only during the NYSDOT administered construction phase. Upon completion of the construction phase, the Municipality/Sponsor's maintenance obligations start or resume.

10. *Independent Contractor.* The officers and employees of the Municipality/Sponsor, in accordance with the status of the Municipality/Sponsor as an independent contractor, covenant and agree that they will conduct themselves consistent with such status, that they will neither hold themselves out as, nor claim to be, an officer or employee of the State by reason hereof, and that they will not by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the State, including, but not limited to, Workers Compensation coverage, Unemployment Insurance benefits, Social Security or Retirement membership or credit.

11. *Contract Executory; Required Federal Authorization.* It is understood by and between the parties hereto that this Agreement shall be deemed executory only to the extent of the monies available to the State and no liability on account thereof shall be incurred by the State beyond monies available for the purposes hereof. No phase of work for the project shall be commenced unless and until NYSDOT receives authorization from the Federal government.

12. *Assignment or Other Disposition of Agreement.* The Municipality/Sponsor agrees not to assign, transfer, convey, sublet or otherwise dispose of this Agreement or any part thereof, or of its right, title or interest therein, or its power to execute such Agreement to any person, company or corporation without previous consent in writing of the Commissioner.

13. *Term of Agreement.* As to the Project and phase(s) described in the Schedule A executed herewith, the term of this Agreement shall begin on the date of this Agreement as first above written. This Agreement shall remain in effect so long as Federal aid and Marchiselli-aid funding authorizations are in effect and funds are made available pursuant to the laws controlling such authorizations and availabilities. However, if such authorizations or availabilities lapse and are not renewed, continued or reenacted, as to funds encumbered or available and to the extent of such encumbrances or availabilities, this Agreement shall remain in effect for the duration of such encumbrances or availabilities. Although the liquidity of encumbrances or the availability of funds may be affected by budgetary hiatuses, a Federal or State budgetary hiatus will not by itself be construed to cause a lapse in this Agreement provided any necessary Federal or State appropriations or other funding authorizations therefore are eventually enacted.

14. *NYSDOT Obligations.* NYSDOT's responsibilities and obligations are as specifically set forth in this contract, and neither NYSDOT nor any of its officers or employees shall be responsible or liable, nor shall the Municipality/Sponsor assert, make or join in any claim or demand against NYSDOT, its officers or employees, for any damages or other relief based on any alleged failure of NYSDOT, its officers or employees, to undertake or perform any act, or for undertaking or performing any act, which is not specifically required or prohibited by this Agreement.

15. *Offset Rights.* In addition to any and all set-off rights provided to the State in the attached and incorporated Appendix A, Standard Clauses for New York Contracts, NYSDOT shall be entitled to recover and offset from the Municipality/Sponsor any ineligible reimbursements and any direct or indirect costs to the State as to paragraph 6 above, as well as any direct or indirect costs incurred by the State for any breach of the term of this agreement, including, but not limited to, the useful life requirements in paragraph 9 above. At its sole discretion NYSDOT shall have the option to permanently withhold and offset such direct and indirect cost against any monies due to the Municipality/Sponsor from the State of New York for any other reason, from any other source, including but not limited to, any other Federal or State Local Project Funding, and/or any Consolidated Highway and Local Street Improvement Program (CHIPS) funds

16. *Reporting Requirements.* The Municipality/Sponsor agrees to comply with and submit to NYSDOT in a timely manner all applicable reports required under the provisions of this Agreement and the Procedures for Locally Administered Federal aid Projects manual and in accordance with current Federal and State laws, rules, and regulations.
