## ARTICLE II.

### **Preparation and Filing of Tax Returns; Allocations of Taxes**

#### Section 2.1 Federal Returns.

(a) A U.S. consolidated federal income tax return shall be prepared and filed by FirstEnergy for each taxable year in respect of which this Agreement is in effect and for which the Consolidated Group is required or permitted to file a consolidated federal income tax return. FirstEnergy and all its subsidiaries shall execute and file such consents, elections and other documents that may be required or appropriate for the proper filing of such returns.

(b) (i) The Consolidated Group will elect, on a timely basis, in accordance with Code Section 1552(b) and Section 1.1552-1(c)(2) of the Regulations to allocate its consolidated tax liability (other than alternative minimum tax (“AMT”) and its related credits) among its Members under the method described in Sections 1.1502-33(d)(3) and 1.1552-1(a)(2) commencing with the consolidated taxable year ended December 31, 2002. The fixed percentage to be used for purposes of Regulations section 1.1502-33(d)(3)(i) is 100%. The general effect of such method is to first allocated the consolidated tax liability among the Members of the Consolidated Group on the basis of the percentage of the total consolidated tax which the tax of such Member (other than AMT and its related credits) if computed on a separate return basis would bear to the total amount of the taxes (other than AMT and its related credits) for all Members of the group so computed. Then such method allocates an additional amount (the “Tax Benefit Amount”) to each Member up to, but not greater than, the excess, if any, of its Separate Return Tax liability (other than AMT and its related credits) over the amount allocated to such Member in the previous sentence. The total of the Tax Benefit Amounts allocated to

Members shall result in payments to, and an increase in the earnings and profits of, the Members who had items of deduction, loss or credits to which such Tax Benefit amount is attributable. This election is intended to comply with the Act, as modified by Section 2(d) below.

(ii) The allocation of the alternative minimum tax liability incurred by the FirstEnergy Group and the resulting minimum tax credit shall be allocated in the manner set forth in Proposed and Temporary Treasury Regulation Sections 1.1502-55. This method generally allocates (i) and AMT paid by the FirstEnergy Group based on the relative separate adjusted AMT of each Member and (ii) the minimum tax credit (“AMTC”) on the basis of the AMT previously assigned to such Member and assuming that AMTC is utilized on a “first in/first out” methodology, and that to the extent that AMTC arising in one year is not fully utilized, such AMTC is utilized proportionately by the Members previously assigned AMT for that year.

(c) Each Member’s allocable share of the consolidated income tax liability as determined in Section 2.1(b) hereby shall be used in both (i) the determination of each Member’s earnings and profits and (ii) determining the amounts to be paid (as provided in Section 3.4 of this Agreement) by Members to FirstEnergy with respect to each Member’s share of the Consolidated Group’s Tax liability and payments from FirstEnergy to Members with respect to the use of a Member’s tax attributes.

(d) (i) The aggregate of all amounts paid by Members of the Consolidated Group (the “Paying Members”) as a result of the excess of each Member’s Separate Return Tax liability (as determined under Section 1.1552-1(a)(2)(ii) of the Regulations) over the amount allocated to such Member as its share of the Consolidated Tax Liability under Code Section 1552 (i.e., the Tax Benefit Amount) shall be paid by FirstEnergy to the other Members (the “Loss Members”) which had tax deductions, losses and credits to which such payments by the Paying Members are attributable. The apportionment of such payments among Loss Members shall be in a manner that reflects the Consolidated Group’s absorption of such tax attributes in the manner described in Section 2.1(e) below. The payments to the Loss Members for their tax attributes shall be pursuant to a consistent method which reasonable reflects such items of loss or credit (such consistency and reasonableness to be determined by the Designated Official).

(ii) Notwithstanding the provisions of section 2.1(d)(i), the Tax Benefit Amount allocated to FirstEnergy and paid to FirstEnergy as a result of its being a Loss Member shall be limited to its Tax Benefit Amount determined without regard to this section 2.1(b)(ii) multiplied by a fraction, the numerator of which is FirstEnergy’s interest deduction attributable to Acquisition Indebtedness, and the denominator of which is the sum of all FirstEnergy’s deductions. The portion of FirstEnergy’s Tax Benefit Amount which cannot be allocated and paid to FirstEnergy due to the operation of this Section shall be reallocated to Paying Members of the Consolidated Group other than FirstEnergy in accordance with the principles contained in section 2.1(b)(i).

(e) In apportioning the payments to Loss Members for the Tax Benefit Amount pursuant to Section 2.1(d) hereof:

(i) any consolidated net operating loss (“NOL”) shall be allocated among the group Members pursuant to Regulations Section 1.1502-21(b). To the extent the consolidated NOL is carried back, any Member’s individually allocable NOL shall be deemed carried back and utilized in proportion to the amount that the Member’s NOL bears to the consolidated NOL. Analogous principles shall apply in the case of NOL carry forwards;

(ii) with respect to each type of credit used to offset all or a portion of the Consolidated Tax Liability otherwise payable, such credit shall be allocated among the Members by crediting to each Member an amount of credit which that Member would have available to utilize on a separate return basis in a manner consistent with the method set forth in Section 2.1(e)(i) above; and

(iii) the cost of any credit recapture which results in the payment of tax shall be specifically allocated to the Member whose credit is recaptured determined in a manner consistent with the provisions of Section 2.1(e)(i) above.

(f) The allocation of tax shall be subject to further adjustment from time to time on account of the payment of additional tax or the receipt of a refund attributable to either the filing of an amended return or on account of the results of an audit conducted by the Internal Revenue Service or other relevant taxing authority.

Section 2.2 Other Taxes. (a) FirstEnergy will prepare and file (or cause to be prepared and filed all returns of Other Taxes which are required to be filed with respect to the operations of FirstEnergy and its subsidiaries. In the event any taxing authority requires or permits that a combined, consolidated or unitary return be filed for Other Taxes, which return includes both FirstEnergy and a subsidiary, FirstEnergy may elect to file such return and shall have the right to require any Member to be included in such return. FirstEnergy will advise each of its subsidiaries included in each Other Return and each governmental office in which any Other Return is filed. Other Taxes shall be allocated among the FirstEnergy Group in a manner that is consistent with the method set forth in Article 2 hereof. Furthermore, amounts due to FirstEnergy or from FirstEnergy, with respect to Other Taxes, shall be determined in a manner consistent with Sections 2.1(b) and 2.1(d).

(b) Each Member of the FirstEnergy Group that does not file an Other Return together with any other Member of the FirstEnergy Group shall be solely responsible and obligated to pay the tax liability with respect to such return from its own funds. Such returns shall be prepared and filed by FirstEnergy or the Member filing the Other Return.

(c) If any Member of the FirstEnergy Group is required to file a combined, consolidated or unitary return for Other Taxes with another Member of the FirstEnergy Group, but not with FirstEnergy (an “Other Taxes Subgroup”), then FirstEnergy shall have the rights, powers and obligations to file such tax returns and apportion among and, collect and remit from, the applicable Members such Other Taxes as the rights, powers and obligations given to FirstEnergy under this Agreement with respect to the Consolidated Tax Liability. Such returns shall be prepared and filed by FirstEnergy. If the right to file a combined, consolidated or

unitary return for Other Taxes is optional, then FirstEnergy shall decide which of its subsidiaries should, to the extent permitted by law, join in filing of such return.

Section 2.3 Member Tax Information. The Members of the Consolidated Group shall submit the tax information requested by the Designated Official of FirstEnergy in the manner and by the date requested, in order to enable the Designated Official to calculate the amounts payable by the Members pursuant to Article 3 hereof.

## **ARTICLE III.**

### **Responsibility for Tax; Intercompany Payments**

Section 3.1 Responsibility. Assuming the Members of the Consolidate Group have fulfilled their obligations pursuant to this Article III, then FirstEnergy will be solely responsible for, and will indemnify and hold each Member of the Consolidated Group harmless with respect to the payment of: (a) the Consolidated Tax Liability for each taxable period for which, as determined under Section 2.1 hereof, FirstEnergy filed a Consolidated Return or should have been filed; and (b) any and all Other Taxes due or payable with respect to any Other Return which is filed by FirstEnergy or should have been filed.

Section 3.2 Federal Tax Payments. (a) With respect to each Consolidated Return Year, the Designated Official of FirstEnergy shall estimate and assess or pay to Members of the Consolidated Group their share of estimated tax payments to be made on a projected consolidated federal income tax return for each year. In making this determination, FirstEnergy shall elect a method for determining estimated tax and each Member shall follow that method. Such Members will pay, to FirstEnergy or be paid by FirstEnergy, such estimates not later than the 15<sup>th</sup> day of the 4<sup>th</sup>, 6<sup>th</sup>, 9<sup>th</sup> and 12<sup>th</sup> months of such Consolidated Return Year. With respect to any extension payment, the Designated Official of FirstEnergy shall estimate and assess or pay to Members of the Consolidated Group their share of such extension payment. The difference between (1) a Member's estimated tax payments used for computation of the quarterly estimated payments plus their extension payments and (2) such Member's actual Tax Liability for any Consolidated Return Year as determined under Section 2.1(b) hereof, shall be paid to FirstEnergy or by FirstEnergy within sixty days after the filing of the consolidated federal income tax return.

(b) FirstEnergy shall have sole authority, to the exclusion of all other Members of the Consolidated Group, to agree to any adjustment proposed by the Internal Revenue Service or any other taxing authority with respect to items of income, deductions or credits, as well as interest or penalties, attributable to any Member of the Consolidated Group during any Consolidated Return Year in which such Member was a Member of the Consolidated Group notwithstanding that such adjustment may increase the amounts payable by Members of the Consolidated Group under this Section 3.2 or Section 3.3 hereof. In the event of any adjustment to the Consolidated Tax Liability relating to items of income, deductions or credit, as well as interest or penalties, attributable to any Member of the Consolidated Group by reason of an amended return, claim for refund or audit by the Internal Revenue Service or any other taxing

authority, the liability of all other Members of the Consolidated Group under paragraphs (a) of this Section 3.2 or Section 3.3 hereof shall be redetermined to give effect to such adjustment as if such adjustment had been made as a part of the original computation of such liability, and payment from a Member to FirstEnergy or by FirstEnergy to a Member, as the case may be, shall be promptly made after any payments are made to the Internal Revenue Service or any other taxing authority, refunds received or final determination of the matter in the case of contested proceedings. In such event, any payments between the parties shall bear interest at the then prevailing rate or rates on deficiencies assessed by the Internal Revenue Service or any other relevant taxing authority, during the period from the due date of the Consolidated Return (determined without regard to extensions of time for filing thereof) for the Consolidated Return Year to which the adjustments were made to the date of payment.

Section 3.3 Other Tax Payments. Payments by a Member with respect to Other Taxes and required estimates thereof for which any other Member has joint and several liability shall be calculated and made by or to such Member in the same manner as that provided in Section 3.2. The principles set forth in Section 3.2 governing the determination and adjustment of payments as well as the method of payment to or from such Member with respect to federal income taxes shall be equally applicable in determining and adjusting the amount of and due date of payments to be made to or from such subsidiary with respect to Other Taxes and estimates thereof. Each Member shall pay, directly to the appropriate taxing authority, all taxes for which such Member is liable and for which no other Member has joint or several liability.

Section. 3.4 Payment Mechanics. (a) Any payments to be made by a subsidiary of FirstEnergy pursuant to Sections 2.1, 2.2, 3.2 or 3.3 hereof shall be made by such subsidiary to FirstEnergy by either promptly crediting as an offset against amounts owed to such Member by FirstEnergy or to the extent no amounts are owed to such Member by FirstEnergy, by cash payments to FirstEnergy. To the extent any payments are to be made to a subsidiary with respect to the use of such subsidiary's tax attributes by the Consolidated Group pursuant to Section 2.1, 2.2, 3.2 or 3.3 hereof, FirstEnergy shall make such payment to such subsidiary by either promptly crediting as an offset against amounts owed by such Member to FirstEnergy, or to the extent no amounts are owed to FirstEnergy by such Member, by cash payments to the Member.

(b) Tax payments by FirstEnergy with respect to any Consolidated Tax Liability shall be paid by FirstEnergy and shall be debited to the Member of the Consolidated Group for their respective shares of such Consolidated Tax Liability as determined pursuant to Article II hereof. Tax Refunds received by FirstEnergy with respect to any Consolidated Tax Liability, shall be paid by FirstEnergy to the Member of the Consolidated Group entitled to such Tax Refund, as determined.

(c) FirstEnergy shall be responsible for maintaining the books and records reflecting the intercompany accounts reflecting the amounts owned, collected and paid with respect to Taxes pursuant to this Agreement.

(d) FirstEnergy may delegate to other Members of the Consolidated Group responsibilities for the collection and disbursement of monies as required under this

Agreement as well as responsibilities for maintaining books and records as required under this Agreement.
