Author(s) Agreement Checklist

As corresponding author, please be sure to use this form as a checklist to ensure proper submission of your manuscript. Failure to do so can result in the delayed publication of your manuscript. Please check off the appropriate responses and submit it along with your cover letter. If you are not able to verify any of these, please describe the reasons in your cover letter.

- I have read the Instructions to Authors contained on the *Psychomusicology: Music, Mind, & Brain* website (<http://www.apa.org/pubs/journals/pmu/index.aspx?tab=4>).
- I verify that this manuscript is the final submitted version and no other changes need to be made before peer review.
- I understand that if my manuscript is accepted and significant revisions are necessary after my manuscript is sent to production, the original manuscript will be pulled from production and the revised manuscript must be resubmitted and reviewed by the editor as a new submission.
- I have read and agree to follow the APA Journals Internet Posting Guidelines (<http://www.apa.org/pubs/authors/posting.aspx>).
- I have used the available sample paper as needed (<http://supp.apa.org/style/PM6E-Corrected-Sample-Papers.pdf>) and I verify that this manuscript has been prepared to be consistent with the *APA Publication Manual* (6th ed.) guidelines (<http://www.apa.org/pubs/authors/manuscript-check.aspx>).
- If my manuscript submission includes supplemental materials, I have explained the relevance of these materials in the cover letter, in the article itself, and within the supplemental materials, and have indicated whether these materials are integral (essential to understanding the content of the article) or additional (expands the reader's knowledge but is not essential to understanding the article).
