

Gaussian 09 usage agreement

By signing this agreement and being granted access to the G09 software, you are accepting the following conditions:

- 1) Gaussian Inc. permits UQ to install, use and modify solely on the St. Lucia Campus.
- 2) Gaussian Inc. permits Gaussian to be installed and used on computers owned, operated by and under the supervision of UQ.
- 3) Gaussian users must also be physically located on the St. Lucia campus.
- 4) Gaussian must not be provided to third parties.
- 5) Gaussian can be provided to UQ staff and students whose confidentiality obligations include Gaussian. Such access is subject to all restrictions of the agreement.
- 6) Gaussian 09 source code may not be used for commercial purposes but only for research and educational purposes.
- 7) If Gaussian is used to obtain a result, and that result is published, the use of Gaussian must be acknowledged in an appropriate citation. The citation should include:
 - a) the name of the product (Gaussian 09)
 - b) the source (Gaussian Inc., 340 Quinnipiac Street, Building 40, Wallingford, CT 06492, USA)
 - c) authorship as designated by Gaussian
 - d) an appropriate copyright notice as designated by Gaussian
