|-----------|---|------------------------------|
| MEMO FOR | : | THE BOARD OF DIRECTORS |
| MEMO FROM | : | THE ACTING GENERAL MANAGER |
| SUBJECT | : | 2018 CORPORATE BUDGET |
| DATE | : | November 24, 2017 |

I am pleased to present the 2018 Corporate Budget of the Metropolitan Cebu Water District, which has been prepared in line with the company's strategic vision. Some of the key objectives of this budget are:

- Continued efficiency improvement of MCWD's distribution lines, water sourcing and expansion projects to support MCWD's future growth;
- Maintenance and replacement of aging water infrastructure to reduce water losses within the system;
- Implementation of new technologies to enhance our financial systems, customer support, operations monitoring, and project management;
- Development of human resource management programs which include Manpower Planning/Succession/Talent Management, Rewards Management, Employee Development Plan, and Gender and Development Plan

Highlights of the 2018 Budget include:

- Target water sales volume of 66.65 million cubic meters, equivalent to ₱ 1.9 billion in gross revenues – an increase of 12% from 2017's projected revenues.
- Total Sources of Funds of ₱ 3.87 billion include the ₱ 593 million loan from the Development Bank of the Philippines and ₱ 51 million grant expected from Vitens Evides International. This is ₱ 505.4 million or 15% higher than the 2017 Sources of Funds and supports the following cash disbursements:
 - a. Personnel cost of ₱ 516.6 million
 - b. Other operations and maintenance expenses of ₱ 1.3 billion
 - c. Debt service and related expenses totaling ₱ 169.5 million
 - d. Capital Expenditures of ₱ 1.2 billion (74% of the total CAPEX budget for 2018)
 - e. Settlement of COLA claims of ₱ 33 million for former employees
- Growth in revenues from septage treatment by 30%
- Personnel services and maintenance and other operating expenses total ₱1.68 billion

The annual planning and budget process is an effort to strike the appropriate balance between ensuring that rates remain affordable for our customers and ensuring the operational and financial sustainability of the water district. The 2018 Annual Corporate Budget will allow the MCWD to continue providing safe, potable water and affordable water, and septage treatment at reasonable costs while also maintaining a healthy financial position.

Respectfully submitted for your approval.

NOEL R. DALENA

BUDGET SUMMARY

Overview

The Corporate Budget for 2018 presents a comprehensive projection of MCWD's operations from January 1, 2018 through December 31, 2018. This budget summary describes the key recommendations encompassing the 2018 Corporate Budget.

Target gross water sales has been set at ₱ 1.908 billion – an increase of 11.8% from the sales forecast of 2017. Total operating revenue which includes revenue from septage treatment, penalty charges and water levy is targeted to reach P 1.898 Billion or an increase of 12% from the 2017 projections.

The operational and capital requirements are presented in the succeeding sections. The sources of funding to meet these requirements is provided in the table below:

| | <i>₱ in Millions</i> | | | |
|------------------------------------|----------------------|------------------|----------------|------------|
| | 2017 Projected | 2018 Budget | Variance | % Variance |
| Sources of Funds | | | | |
| Available Internal Funds | ₱ 1,249.3 | ₱ 955.9 | ₱ (293.4) | -23% |
| Operating Revenues | 1,892.5 | 2,154.9 | 262.3 | 14% |
| Loans and Grants | 21.6 | 644.5 | 623.0 | 2,884% |
| Escrow and Interest Income | 36.9 | 30.7 | (6.2) | -17% |
| Other Cash Receipts | 165.8 | 85.4 | (80.3) | -48 |
| Total | ₱ 3,366.1 | ₱ 3,871.5 | 505.4 | 15% |
| Use of funds | | | | |
| Operating Costs | ₱ 1,563.7 | ₱ 1,885.3 | ₱ 321.6 | 21% |
| Capital Expenditures | 370.8 | 1,211.5 | 840.7 | 227% |
| Debt Servicing | 169.7 | 169.7 | 0.1 | 0% |
| Customer Deposit Reserve | 306.0 | 28.0 | (278.0) | -91% |
| Reserve for 2-month operating cost | 260.6 | 308.6 | 47.9 | 18% |
| Unappropriated funds | 695.3 | 268.3 | (426.9) | -61% |
| Total | ₱ 3,366.1 | ₱ 3,871.5 | ₱ 505.4 | 15% |

The 2018 budget presents a financial plan designed to continue MCWD' mission to provide safe, potable and affordable water services. The budget balances revenue requirements with operating revenues and other funding sources. Some of the key objectives of this budget are:

- Continued efficiency improvement of MCWD's distribution lines, development and acquisition of water sources and expansion projects to support MCWD's future growth;
- Maintenance and replacement of aging water infrastructure to reduce water losses within the system;
- Implementation of new technologies to enhance our financial systems, customer support, operations monitoring, and project management;
- Development of human resource management programs which include Manpower Planning/Succession/Talent Management, Rewards Management, Employee Development Plan, and Gender and Development Plan

Water Sales and Other Revenues

Water sales volume is forecasted to reach 66,654,600 cubic meters at an average effective rate of ₱28.62 per cubic meter. This brings that total gross water sales to ₱1,908,798,642. Overall, 73.5% of the total water sales revenue will come from domestic consumers and 26.5% from the commercial consumers.

More details in the supply and demand forecast are incorporated in the 2018 Corporate Plan.

Penalty charges in the amount of more than ₱ 15.1 Million are expected to be collected from delinquent consumers – an increase of 12%. This is based on the on-time collection ratio target for 2018. Water levy is pegged at ₱1.0 Million, the same as 2017.

Interest revenue will go down to P 9.0 Million in 2018 with MCWD expecting a lower amount due to increase in capital expenditures.

Items that are included in the Miscellaneous Non-Operating Revenues are from the rental of the old MCWD building, income from Water Truck delivery, and donation from San Miguel Corporation.

Personnel Services (PS) and Maintenance and Other Operating Expenses (MOOE) Highlights

The 2018 Personnel Services and MOOE Budget totals ₱1.684 billion, or 18.5% higher compared to ₱1.421 billion in 2017. The table below highlights the major changes between the 2017 and 2018 PS and MOOE.

| | ₱ in Millions | | | |
|--------------------|---------------------------|------------------------|-----------------|-------------------|
| | 2017 Projected | 2018 Budget | Variance | % Variance |
| Expenses | | | | |
| Personnel Services | ₱537.6 | ₱ 568.4 | ₱ 35.8 | 6% |
| MOOE | 776.0 | 1,005.3 | 229.3 | 30% |
| Depreciation | 107.4 | 110.6 | 3.2 | 3% |
| Total | ₱ 1,421.2 | ₱ 1,684.3 | ₱263.3 | 19% |

The 2018 budget includes funds for 26 managerial positions that currently occupied by officers-in-charge or OICs and two corporate lawyer positions. The budget has also included the 3rd Tranche of the salary increase. All other rank-and-file positions were not funded for 2018 pending the results of HRD's manpower planning and organizational development plan.

Additional MOOE funds has been provided for several programs related to the improvement of customer service, information drive and promotion of MCWD's major projects, corporate social responsibility (CSR) programs, integrated water resources management, and facilities management improvement. Also included in the MOOE are the new bulk water sources amounting to ₱ 137.8 million from the Mambaling, and Suba-Basbas Lapu-Lapu City injection points, and the Desalinated Water Supply from Mactan.

By the end of the year, MCWD will expect a net income of ₱208.9 million or 11.0% of the total operating revenues – a decrease of 4.8 percentage points from 2017's 15.8%.

Capital Expenditure Highlights

The budgeted Capital Expenditure program for the next three years totals ₱ 2.398 billion. The majority of which will be focused on improvements to efficiency and expansion. Of this amount, ₱ 1.635 billion is expected to be procured and implemented in 2018 with ₱1.211 billion estimated to be disbursed in the same year. This is based on the procurement plans submitted by the various departments.

| Capital Expenditures | 2018 | 2019 | 2020 | Total Budget |
|---|-------------------------|-----------------------|----------------------|-------------------------|
| Expansion | 360,291,014.02 | 83,633,843.24 | 21,122,156.95 | 465,047,014.21 |
| Distribution Efficiency Improvement | 339,639,079.91 | 88,115,923.00 | 40,056,748.73 | 467,811,751.65 |
| Asset Renewal | 334,475,389.95 | 161,837,148.00 | | 496,312,537.95 |
| In-House Sourcing | 153,175,888.39 | 264,219,135.67 | | 417,395,024.07 |

GENERAL MANAGER'S GROUP

Corporate Planning Department

Plans and Programs:

1. Facilitate the formulation of the Strategic Plan/Business/Plan
2. Facilitate the development of Strategies for Strategic sourcing
3. Monitoring of Corporate Performance and KPI's
4. Monitoring of Infrastructure Projects
5. Facilitate Management Review
6. Update database for forecasting
7. Provide assistance to JICA and Vitens
8. Submission of reports/requests to LWUA and other agencies
9. Water Rates Review

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|----------------|-------------------------------------|
| Personnel Cost | 6,918,717.00 | 53% |
| Maintenance and Other Operating Expenses | 57,472.25 | 346% |
| Capital Expenditures | 642,701,731.90 | - |

Internal Audit Department

Plans and Programs:

| Division | No. of Audit Programs |
|--|--|
| Management Audit Division - Implements financial audit on financial transactions performed by processes and employees of MCWD to determine compliance to established policies, guidelines and regulatory requirements | 107 programs with audit reports 558 programs with no audit reports required (5 auditors) |
| Operations Audit Division - Performs technical audit on works and activities performed by employees to verify compliance to MCWD policies, rules and regulations. | 129 programs with audit reports 204 programs with no audit reports required (3 auditors) |

New Audit Programs for implementation in 2018:

1. Compliance to Yearly Expansion Plan
2. Compliance to Yearly Sourcing Plan
3. Compliance to Yearly Distribution Plan
4. Compliance to Yearly Pipeline Renewal
5. Bill Distribution and Meter Reading Efficiency
6. Reconciliation of Accounts Receivable Ledger (GL-SL) between Commercial Services Department and Accounting Department records
7. Review of SCID processes: install, discon, recon & reopening
8. Marketing Strategies in bringing in additional consumers
9. Lead Time to Conduct Leak Repairs
10. Review of Leak Detection Programs
11. Contract Compliance for Bulk Water Supply
12. Efficiency of DMA and SCADA System
13. Conduct Computer Systems Audit
14. Personnel Recruitment and Development Plan
15. Procurement and BAC Process System/Procedure

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 9,531,405.00 | 36% |
| Maintenance and Other Operating Expenses | 117,176.41 | 40% |
| Capital Expenditures | - | - |

Legal Department

Plans and Programs:

1. Field investigation for Illegal connections/reopening/meter inversion/tapping/installation of booster pump and other illegal activities
2. Field investigation for private wells without permits
3. Filing oppositions for water permit application (WPA) for private wells
4. Filing of collection cases for delinquent accounts (₱ 200,000 and up)
5. Preparation of other administrative & court pleadings
6. Attend NWRB hearings
7. Attend Court Hearings for Old and New Cases involving MCWD
8. Contracts/MOA/Legal document review
9. Facilitate the acquisition of lots and road-right-of-way for 25 well sites and booster stations
10. Facilitate acquisition of excavation permits for pipelaying projects
11. Facilitate acquisition of OBO permits and VECO application
12. Facilitate transfer of title & tax declaration

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 15,788,900.38 | 35% |
| Maintenance and Other Operating Expenses | 4,757,010.56 | 181% |
| Capital Expenditures | 50,413,442.28 | - |

Information and Communication Technology Division**Plans and Programs:**

1. Development/Acquisition of the following programs:
 - a. Project Status Monitoring
 - b. Public Finance Management System
 - c. Human Resource Information System - Training, Med. Services, Competency, Employee Relations and HR Policies
 - d. Collection System (Collect Anywhere)
 - e. Customer Accounts Updating - Classification of Consumers
 - f. New Service Connection Application System
 - g. Sub Modules for the New Customer Accounts Policy
 - h. Job Order Systems (using SharePoint)
 - i. Meter Maintenance Monitoring, Valving, and Pressure Monitoring System
 - j. Enhancement / Upgrading of Oracle Server and Storage
 - k. Replacement of Talamban Disaster Recovery Site Central UPS
 - l. Wireless Radio-Antenna for Collection Centers and Maintenance
 - m. Existing Server and Storage Maintenance Parts and Services
 - n. Enhancement of Main Office Data Center Central UPS
 - o. Enhancement of Main Office Data Center Central UPS
 - p. Upgrading of Oracle Database to Oracle 12c
 - q. Installation of Document Management System

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 15,303,001.00 | 10% |
| Maintenance and Other Operating Expenses | 6,072,777.71 | 155% |
| Capital Expenditures | 71,048,507.90 | - |

CUSTOMER SERVICES/FINANCE GROUP

Commercial Services Department

Plans and Programs:

1. Meter Reading
2. Bill Distribution
3. Posting of Readings
4. Review of Billings
5. Trace-up
6. Inspection of Subdivision/Condominium
7. Resolve Complaints
8. Area Size Monitoring and Control
9. Maintenance of Accounts
 - a. Charging and adjusting various accounts
 - b. Preparation of Reports
 - c. Entertain consumer queries
 - d. Process customer claims for refund and adjustments
 - e. Generation or review of demand letters
 - f. Process SC discount application/renewal
 - g. Generation/review of government accounts SOA
 - h. Offsetting of GD and MD
 - i. Aging of accounts
 - j. Read, bill, and review of Water Levy Accounts
 - k. Telephone Brigade – for disconnection and release-returned checks
10. Administrative works

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 35,765,916.09 | 1% |
| Maintenance and Other Operating Expenses | 5,003,465.30 | 84% |
| Capital Expenditures | 3,145,000.00 | - |

Accounting Department

Plans and Programs:

1. Collate, record, classify, summarize and analyze financial data based on the prescribed Government accounting standards, laws and regulations
2. Recommend appropriate actions for any discrepancies
3. Prepare financial statement and reports
4. Analyze, prepare and maintain reports of actual expenses versus budget per cost centers and recommend adjusting/correcting journal entries
5. Prepare Petty Cash entries and COA reports
6. Analyze, check and visualize proper charging of Stock Requisition Slips/Returned Materials Slips in the Materials
7. Process payroll for regular, contractual, casual and project-based employees
8. Verify accuracy on supporting documents for voucher processing
9. Compute withholding taxes and generate voucher payable registers
10. Verify and analyze cash receipts register for main office
11. Process allowances and bonuses
12. Keep records on employees' cash advances
13. Verify and analyze billing registers, manual Official Receipts and deposit slips
14. Maintain/update property cards for all fixed assets
15. Compute monthly depreciation
16. Encode all SRS chargeable to concessionaires
17. Prepare summary of telephone reimbursements
18. Verify and analyze cash receipts register of branches and all collecting banks
19. Prepare monthly reports of branch and bank cash short/over
monthly bank reconciliation
20. Monitor fuel purchases
21. Compute Revenue Share and PWA
22. Maintain updates special deposits account
23. Verifies janitorial services, refreshment and rental billings
24. Files debit and credit memo for returned customers' check, cash advances liquidation and other adjusting entries
25. Compute retirement amount
26. Prepare, analyze and update comparative monthly power consumption in pesos/kwhr and facilities process and prepare Power Cost Adjustment (PCA)
27. Prepare all BIR EFPS and filing of remittances

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|---------------|----------------------------------|
| Personnel Cost | 10,261,300.50 | 11% |
| Maintenance and Other Operating Expenses | 1,516,510.98 | 554% |
| Capital Expenditures | 200,000.00 | - |

Financial Management Department

Plans and Programs:

1. Facilitate collection of customer accounts receivables
2. Enable offline collection centers to receive payment from customers including bills that are two months past due and deactivated accounts
3. Issuance of checks for payments
4. Monitor cash flow
5. Manage bank accounts
6. Facilitate financing of capital expenditures
 - a. Solicit proposals to augment cash requirements for CAPEX (as needed)
7. Corporate budget administration and monitor financial performance of the water district
8. Prepare corporate budget for 2019
9. Improve monitoring of CAPEX from proposal stage to post implementation (in coordination with ICTD).

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 16,185,617.06 | 31% |
| Maintenance and Other Operating Expenses | 1,269,256.47 | 36% |
| Capital Expenditures | - | - |

Service Connection and Installation Department

Plans and Programs:

1. Barangayan marketing activities for 32 areas in coordination with CREAD
2. Increase number of new service connections
 - a. Barangayan, new stub-outs, SCID expansion – 10,800 SCs
 - b. Subdivision – 8 mother meters/3,304 households
 - c. Commercial – 207 SCs
3. Lay 5.5 kilometer of pipeline extensions and assemble 153 additional stub-outs
4. Implementation of 15 interconnecting pipeline and expansion projects

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 34,765,446.30 | 22% |
| Maintenance and Other Operating Expenses | 10,921,395.89 | 211% |
| Capital Expenditures | 97,956,424.55 | - |

Human Resources Department

Plans and Programs:

1. Facilitate implementation on MCWD Policies regarding:
 - a. Parking
 - b. Travel
 - c. Communication
 - d. HR (recruitment, personnel, medical plan, employee development)
 - e. Others
2. Publish employee handbook
3. Job evaluation with organizational development
4. Manpower planning/succession/talent management
5. Employee development plan
6. MCWD Performance Management Systems (PMPS)
7. Rewards Management
8. GAD Plan
9. Facilitate COLA claims
10. PRIME-HRM compliance: Level II in all HR Systems

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 91,851,290.12 | (9%) |
| Maintenance and Other Operating Expenses | 12,315,420.35 | 179% |
| Capital Expenditures | 35,001.00 | - |

Community Relations & External Affairs Department

Plans and Programs:

1. Water rates public hearing
2. Barangayan/TubigPaMore/LGU visits
3. Crystals/Website Content/Press releases
4. Social Dialogue/Research/Tours
5. Newspaper advertisements for water interruptions
6. Radio plugs for MCWD advisory
7. Prepare brochures/fact sheets
8. Conduct CSR Activities
 - a. Sinulog
 - b. Tree planting
 - c. Handwashing
 - d. Others
9. Promote MCWD projects
10. Customer Service Survey
11. Process new service connection and disconnection applications
12. Facilitate customer complaints and queries

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 14,258,649.00 | 9% |
| Maintenance and Other Operating Expenses | 19,913,604.42 | 126% |
| Capital Expenditures | 1,500,000.00 | - |

Property and Materials Management Department

Plans and Programs:

1. Update workflow of procurement personnel
2. Conduct monitoring of supplier's deliverables
3. Semi-annual conduct of Supplier's Performance Evaluation
4. Trainings and seminars on updates of RA 9184
5. Source out possible/new suppliers
6. Phone calls from suppliers for inquiries of PR
7. Prepare letter for reply to suppliers and other queries, request for extension of deliveries, refund of bid bonds, refund of performance bond, etc.
8. Identifying Supplier with two or more purchase orders served for the last six month
9. Posting of awards, including contracts, BOD Resolutions, BAC Resolutions
10. Send notice to end-user/requisitioning department for cancelled PRs
11. Updating of price index
12. Consolidation of 2019 PPMP and procurement scheduling of APP
13. Submission of 2019 APP for Common Stock (November)
14. Submission of 2019 APP to GPPB (January)
15. Update PhilGEPS posting
16. Conduct monthly departmental/division meeting
17. Verify completeness of PR (Technical Specifications, Terms of Reference, attachments, shop drawings, etc.)

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 12,188,569.10 | 28% |
| Maintenance and Other Operating Expenses | (1,399,269.55) | (70%) |
| Capital Expenditures | 1,000,000.00 | - |

General Services Department

Plans and Programs:

1. Ensure that all preventive and reactive tasks of the BGM Division is properly handled and monitored and to guarantee that all equipment of facilities are in operational condition
2. Ensure that electrical fire alarm and telephony system of MCWD main office building, Satellite offices, and Water District's other facilities are in good operational level
3. Guarantee that air-conditioned system both in Main office building, Sat Office and other facilities are operational in status
4. Ensure that all photocopying job orders are all serve in due time and guarantee that all equipment are operational
5. Improve aesthetics and its functionalities of MCWD Main Office Building, Satellite offices and other Water District's facilities
6. Ensure that plumbing system both in Main office building, Satellite Office are in good operational condition
7. Guarantee that carpentry, painting and tinsmithry works shall be carried out and the workmanship is in accordance with the MCWD Standard
8. Ensure that emergency maintenance work will be carried out and that facilities will stay in good and operational condition
9. Replace old and defective vehicles
10. Reduce downtime
 - a. Replace defective tools and equipments
 - b. Ensure availability of good quality spare parts
11. Improve customer satisfaction
 - a. Purchase generators for the 75% daily production target during calamities and power outage
 - b. Deploy generators to strategic wells for automatic start-up during power outage
12. Provide efficient support for the end-user departments
 - a. Purchase vehicles, light truck and motorcycles to various departments
 - b. Purchase compressors for PMG satellite offices and PDD
 - c. Purchase mobile welding machine and heavy equipment
 - d. Install repeater stations for effective radio link

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 21,445,208.50 | 7% |
| Maintenance and Other Operating Expenses | 82,906,306.90 | 25% |
| Capital Expenditures | 172,711,734.57 | - |

Production and Distribution Department

Plans and Programs:

1. Implement projects owned within approved time frame
2. Monitor operation of pumping stations and reservoirs
3. Operate valves at scheduled time
4. Ensure availability of power for pumping stations
5. Monitor water level and water pressure
6. Monitor production data and prepare corresponding report
7. Real-time monitoring of whole system linked to SCADA
8. Operate valves at scheduled time and attend planned and emergency interruptions including fire response
9. Flushing activities in hydrants and valves as requested
10. Repair, replace and install systems isolation valves
11. Application/renewal of licenses and permits from regulatory bodies for water quality
12. Monitor water quality compliance of bulk water suppliers
13. Laboratory analysis and other related activities (for bulk water samples, private samples, etc.)
14. Perform bacteriological and microbiological testing
15. Ensure continuous and proper water treatment dosage
16. Monitor chlorine dosage for direct supply wells

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 62,041,470.50 | (4%) |
| Maintenance and Other Operating Expenses | 752,219,594.37 | 23% |
| Capital Expenditures | 116,380,480.30 | - |

Environment and Water Resources Department

Plans and Programs:

1. Well Maintenance
 - a. Well Monitoring (Measurement of Water Level and Production Rate)
 - b. Well Drilling and Well Rehabilitation
2. Water Resource Extraction Monitoring
 - a. Domestic Wells/ Households Inventory
 - b. Inventory Supervision, Data Encoding, Collation, Analysis and Interpretation
 - c. LGU Certification/ NWRB Permit Endorsements (per application)
 - d. Inspection
 - e. Endorsement
3. Surface Water Monitoring
 - a. HYMOS Databank Updating
 - b. Streamflow Measurements and Analysis
4. Family Park
 - a. Family Park Supervision
 - b. Park Receipts and Transfer of Funds
5. Aquifer Monitoring (Data Encoding, Analysis)
6. Well Performance Monitoring (Encoding and Analysis of Well Performance Records)
7. Water Resource Evaluation (Source Evaluation Request acted within standards)
8. IWRM Advocacy Program
9. Community Organizing
10. Seedlings propagation for free distribution and planting, Riparian Rehabilitation (tree planting activity)
11. Riparian Rehabilitation (tree planting activity), Supervision & Monitoring of Nurseries managed by MCWD, Supervising & Monitoring of Nurseries with LGU
12. Hydrometeorologic and Hydrogeological Monitoring for Saltwater Intrusion

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 26,866,989.53 | 15% |
| Maintenance and Other Operating Expenses | 11,908,172.57 | 777% |
| Capital Expenditures | 84,091,749.14 | - |

Maintenance Support Services Department

Plans and Programs:

1. Fabricate fittings
 - a. Machining and threading of various sizes of pipe fittings, tools and parts
 - b. Handhole hinges machining
 - c. Deep galvanization for stub outs
 - d. Special fabrication/job orders
2. Extend assistance to other department through manpower, where appropriate
3. Keep pumping equipment running at minimum downtime and at an acceptable efficiency
4. Keep all water flow meters running at an acceptable flow rate
 - a. Replacement of 12,000 small water meters
 - b. Replace flow water meter
 - c. Verify meter condition
 - d. Verify abnormal conditions
 - e. Random field testing
 - f. Repair meters

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 32,572,637.00 | 7% |
| Maintenance and Other Operating Expenses | 59,506,484.27 | 28% |
| Capital Expenditures | 44,791,681.26 | - |

TECHNICAL SERVICES GROUP

Project Management Office

Plans and Programs:

1. Monitor implementation of MCWD contracted projects to ensure compliance with contract
 - a. Inspect works of contractor at project site
 - b. Evaluate PERT/CPM, hop drawings, work methodologies, request for time extension and variation order
 - c. Conduct material inspection and testing
 - d. Prepare project status reports and billings
 - e. Perform works inherent to project management

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 4,801,003.00 | 217% |
| Maintenance and Other Operating Expenses | 420,084.85 | 587% |
| Capital Expenditures | 1.00 | - |

Engineering Department

Plans and Programs:

1. Prepare preliminary route survey plan of pipelaying expansion and rehabilitation projects
2. Measure the geographical position and elevation of the points (for continual base/reference map updating)
3. Trace and measure the geographical position/elevation of existing underground metal water distribution lines for base/reference map calibration
4. GIS preliminary target
 - a. Calibration of Mactan Island Base Map
 - b. Conversion to GIS Enterprise of all existing data of Mactan Island area from the current Bentley Software configuration
5. Design preliminary and final cost detailed estimates for MCWD projects
6. Inspect and test endorsed materials and equipment
7. Prepare inspection and testing reports
8. Coordinate with internal and external clients
9. Inspect quality and test materials in accordance with the standard using necessary tools, instruments, and apparatus
10. Actual, properly, and promptly execute test of waterline construction materials, fittings and appurtenances

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 37,853,984.54 | 11% |
| Maintenance and Other Operating Expenses | 4,960,243.95 | 193% |
| Capital Expenditures | 5,603,797.60 | - |

Construction Department**Plans and Programs:**

1. Implement and monitor MCWD in-house projects
 - a. Inspect accomplishment and update status of projects
 - b. Conduct material inspection and testing
 - c. Perform works inherent to construction

Budget:

| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
|--|--------------------|--|
| Personnel Cost | 15,242,643.20 | (2%) |
| Maintenance and Other Operating Expenses | 16,864.57 | (11%) |
| Capital Expenditures | 5,068,000.00 | - |

PIPELINES MAINTENANCE GROUP

Plans and Programs:

1. Reduce non-revenue water
2. Monitor number of pipeline leaks
3. Determine pipelines that need rehabilitation
4. Re-visit old, dilapidated stub-outs
5. Cluster sub-standard service connections
6. Monitor government projects (MCDP) to prevent mainline and service connection leaks
7. Monitor pressure on identified pressure points for leak detection
8. Pull-out meters for delinquent concessionaires and burned areas
9. Replace obsolete and defective meters
10. Replace pipes from plastic to G.I.
11. Road concreting and backfilling
12. Decommissioning and transfer tapping for pipeline rehabilitation
13. Re-standardization of stub-outs/meters
14. Communicate to concessionaires regarding the intermittent water supply

Budget:

| <i>PMD – South</i> | | |
|--|--------------------|--|
| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
| Personnel Cost | 43,729,681.50 | 1% |
| Maintenance and Other Operating Expenses | 7,504,312.29 | 64% |
| Capital Expenditures | 145,448,276.54 | - |
| <i>PMD – North</i> | | |
| Expenditure | 2018 Budget | Increase (Decrease) from 2017 |
