

Construction Price Quote **REQUEST**

August 5, 2020

Project

- The Campbell County Department of Public Works is soliciting Construction Price Quotes for Airport valley gutter project.
- The project is generally described as:
 - Approximately 450 Square Feet of concrete valley gutter
 - On grade, sloped valley gutter at 2 locations
 - Remove existing concrete pavement and dispose of it (sawcut clean straight lines, new valley gutter will go in the middle of an existing slab)
 - Remove material below pavement to dirt grade (salvage if rock)
 - Perform 12 inches subgrade preparation and compaction
 - Install 6 inches crushed base (crushed concrete or limestone acceptable)
 - Place 7 inches concrete paving City class B
 - #4 bar on 12 inch centers
 - Dowell to perimeter pavement
 - Testing by Owner

Measurement/Payment

- The method of measurement and payment shall be unit price shall include all necessary costs (insurance, permits, labor, management/supervision, overhead, materials, demolition and disposal of materials, equipment, cleanup, all incidental work, mobilization, etc) required to accomplish the work. A sheet is attached to use for providing prices.

Requirements

- 5% preference will be given to Wyoming contractors who don't subcontract out more than 30% of the work to out of state subcontractors and/or suppliers
- Contractor shall employ Wyoming resident laborers per W.S 16-6-203
- Contractor will be required to produce an insurance certificate with:
 - Commercial General Liability: \$1M per occurrence, \$1M Employers Liability, \$1M Personal and Advertising Injury, \$1M umbrella, \$2M Annual Aggregate.
 - Commercial General Liability coverage shall not exclude Product/Completed Operations, Contractual Liability, or Cross Liability
 - Business Automobile Liability: \$1M per occurrence for owned, non-owned, hired
 - Campbell County named as Additional Insured with Waiver of Subrogation
- Contractor shall provide verification that the company is in good standing with Wyoming Workers Compensation and Unemployment.

- Contractor will be required to provide a breakdown of the lump sum price quote if requested.
- Contractor will be required to provide a construction schedule for the project that is approved by the Owner.
- Contractor will be required to identify a project contact person with phone number. The Owner will communicate with the contractor through this person during the project.
- Lien waivers will be required prior to final payment from Contractor and from major subcontractors and suppliers (if applicable)
- Contractor will be required to keep Owner informed on progress of construction through periodic update meetings and revised project schedules as needed
- Contractor must have a current, approved W-9 form on file with the County Clerk's office to be able to work for the County

Owner

- The Owners representative for this project will be Clark Melinkovich. All questions regarding this project shall be directed to him at 307-685-8061 or cmm08@ccgov.net.
- Campbell County reserves the right to reject any or all quotes, and to waive any informalities and irregularities in the quoting process.
- Campbell County reserves the right to award any portion of the quote supplied and is not bound to award any or all of the work.
- Campbell County reserves the right to deduct \$100 per calendar day as liquidated damages, (not as a penalty), for each calendar day beyond the specified completion date that the project is not complete.

Payment

- Payment will be made according to current Campbell County Accounts payable schedule. (Invoices received by the 2nd to last Wednesday of the month will be processed for payment and checks mailed out on the Friday of the first full week in the next month.)
- If requested, progress payments may be made but not for more than 50% of the value of the completed work.

Timeline

- Quotes are due to Campbell County Public Works office at 500 South Gillette Ave suite 1400 or emailed to the Owners representative by 4:00 pm on **August 17, 2020**.
- The Owners representative will notify the successful contractor that they will be awarded the work.
- The contractor has 7 days to provide the following submittals to the Owner
 - Insurance Certificate
 - Verification of good standing with Wyoming Workers Comp/Unemployment
 - Construction schedule
- Upon approval of the submitted documents the Owner will issue a Construction Price Quote APPROVAL and the contractor may begin the work
- The project must be substantially complete by **October 30, 2020**
- Lien waiver received from Contractor and Sub-contractors
- Final payment will be processed as described in the Payment section
