Medicaid contacts,

Please click on the link below to view the FDOE memo regarding Medicaid reimbursable school-based services that went out to Superintendents on Friday, April 16, 2021. This memo provides clarity to schools on submitting claims for federal reimbursement for Medicaid-eligible students per the expanded criteria established in CS/HB 81 for all claims beginning on July 1, 2020. Please share this information with your school's vendors. If you have any questions, please let me know. Have a great week.
