COMMUNITY SERVICE FORM

STUDENT
NAME: _____ GRADE: _____ SCHOOL YEAR: _____

Beyond Trinity Christian High School's academic and athletic life, we desire that our students develop sensitivity to the needs of the community in which we live. We believe that service is an expression of our faith. We trust that the skills that students develop here may be used to enhance the lives of others, particularly those in need around us, and we see this as a direct means to fulfill the Great Commission.

Students are required to perform 24 hours of community service per school year. Students may volunteer at their church, in the community, or perform any type of service for an approved 501 (c) 3 corporation. Exceptions to this policy must be approved by the administration prior to service. **Forms must be submitted no later than 90 days following the activity.**

You may use the back side for further comments regarding the community service performed.
