

SCITUATE HIGH SCHOOL

Community Service Form

All Scituate High School students are required to serve a minimum of 50 hours of community service to be eligible for a Scituate High School diploma. These service hours are to be completed beyond the school day and must be pre-approved by a school counselor. Community service hours cannot begin prior to the summer before freshman year and cannot be supervised by a parent/guardian or other family member. All community service hours must be completed and papers passed in by the end of first semester senior year.

Once you have completed your community service activity, list the dates, times and total hours and have it signed by the supervisor in charge of the activity. Submit this sheet to your School Counselor and your hours will be logged into the computer.
