3. Entry Restrictions

- a. Each junior exhibitor may show one large and one small entry on both coasts.

4. Phases

- a. The Championship will be conducted in three separate phases: Under Saddle to count 20%, Handy Hunter to count 40%, and a single Classic Round to count 40%.
- b. To determine the winner, scores must be calculated based on the total of the combination of all three phases after the percentages of each phase have been calculated.

1. Under Saddle. To be shown at a walk, trot, and canter both ways of the ring. Horses are to hand gallop one direction, halt and back. Light contact with the horse's mouth is required. Judged on performance and soundness. Manners and suitability to be emphasized.
 - a. In the Under Saddle phase, horses shall be judged in groups of twelve or less. Each horse shall be judged and given a score based on its performance in the group.
2. Handy Hunter. Obstacles should simulate those found in trappy hunt country. The course must have at least two changes of direction and at least one in and out as well as three of the following: hand gallop a jump, bending line, rollback turn, fence at the end of the ring, open a gate while mounted or trot over one obstacle. Judges must place emphasis on promptness and tight turns with precedence being given in that order. Handiness is defined as time and ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Hand Gallop is defined as a significant increase in pace without sacrificing performance or style.
 - a. In the Handy Hunter each entry will be given a numerical score based on its performance.
3. Classic Round. The course must include at least ten obstacles, have two changes of direction, and at least one combination. There shall be one single oxer on the course that shall be ridden at the gallop. Emphasis shall be placed on "brilliance" for this round.
 - a. In the Classic Round each entry will be given a numerical score based on its performance.
4. Soundness. All horses are required to trot a circle on a loose rein at the end of each over fences performance. Horses may be asked to return to the ring and trot another circle at the judge's discretion.
5. The same junior exhibitor is required to show an entry in all phases of the Championship.
6. Exhibitors will be eliminated after two cumulative refusals.
7. If a horse/rider combination does not complete a phase or is eliminated from that phase, that horse will receive a score of "0" for that phase but may continue on to compete in the remaining phases of the Championship. A horse with a total score of "0" for a phase is not eligible for an award for that phase but is eligible for an overall award.

5. Judging

- a. Three judges will judge each phase simultaneously but independently of each other. Each judge will give every entry a score for each phase. Prior to the Under Saddle and Handy Hunter, each entry's score in the previous phase shall be totaled and announced. During the over fences phase, the Open Numerical Scoring System is used. After each entry completes the course each judge's score for the round is immediately shown or announced. The total overall score for each entry is then calculated as soon as it has completed the last phase.
 1. Ties will be broken based on the score of the judge that is designated as judge number one for each phase of the Championship. If a tie still exists for the overall standings, the score from the Classic Round will break such a tie.

6. Championship Special Requirements

- a. Horses are required to be stabled on the competition grounds a minimum of 12 hours before the start of their respective fence height section.
- b. Commencing 12 hours prior to the start of their respective fence height section and continuing until through competing, only the competition rider may ride his/her entry. These riders must wear their competition number at all times anywhere on the grounds while mounted.
- c. Failure to comply with these rules will result in elimination if deemed appropriate by an appeals jury which will be compiled of one of the competition's Federation Stewards, a member of the Federation staff, and the competition manager.
- d. The USEF Junior Hunter National Championships may be split into two Championships; one on the eastern side of the U.S. and one on the western side of the U.S. Qualified horses may compete in either Championship but the horse's owners or their agent must declare which coast the horse will be competing in as the horse is only allowed to compete in one coast or the other but not both in any one year. Qualification and points will be the same for both eastern and western championships.
