

# Similac Formula Recall – New Hampshire WIC approved substitution list

UPDATE JUNE 15<sup>TH</sup>, 2022

If you are having a difficult time finding your regular SIMILAC WIC formula, you may temporarily buy one of the alternate formulas below. Always try to find your regular Similac product first.

(Not all Similac formula was affected by the recall and there may be Similac formulas at your store for purchase, especially as formulas are restocked). If you cannot find a substitute listed below at your local store, please call your WIC office.

**\*Target formulas (Up & Up) are only available at the four Targets that accept WIC in New Hampshire; authorized locations include Nashua (2), Somersworth, and Keene. Please ask your Local Agency if you have questions or refer to the approved New Hampshire WIC store list on the WICShopper App or the NH WIC website.**

If your WIC benefit is for:	Try one of these alternate formula options:
