## Welcome to the ECU Student Health Service myPIRATEchart

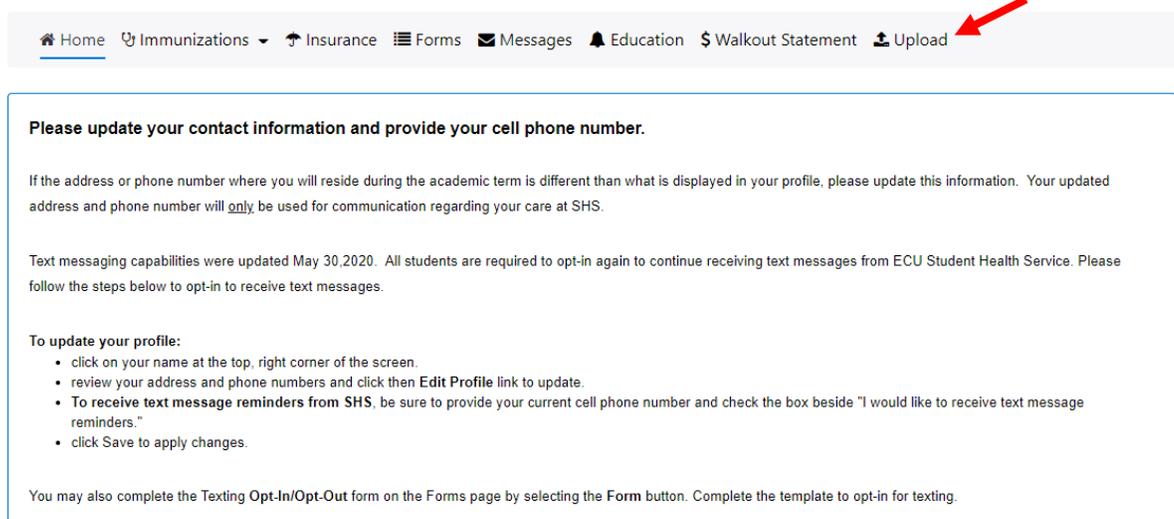

ECU Student Health Services is closely monitoring the outbreak of respiratory illness caused by coronavirus (COVID-19).  
For the latest updates, visit the ECU news page [here](#).

You may login using your [PirateID](#) and Password. Once logged in you will have access to online services such as:

- Secure communication with Student Health Services
- Obtain your immunization records
- Schedule appointments
- Complete health history forms
- Update your local address and phone number
- Opt in to text messaging

We are committed to protecting your personal information. Data that you provide cannot be viewed by anyone else on the Web and is securely maintained by industry standard SSL (secure socket layer) encryption and decryption technology when needed. We do not share your information with anyone else.

4. Once you have logged in, click on Upload.

Home Immunizations Insurance Forms Messages Education Walkout Statement **Upload**

**Please update your contact information and provide your cell phone number.**

If the address or phone number where you will reside during the academic term is different than what is displayed in your profile, please update this information. Your updated address and phone number will only be used for communication regarding your care at SHS.

Text messaging capabilities were updated May 30,2020. All students are required to opt-in again to continue receiving text messages from ECU Student Health Service. Please follow the steps below to opt-in to receive text messages.

**To update your profile:**

- click on your name at the top, right corner of the screen.
- review your address and phone numbers and click then **Edit Profile** link to update.
- **To receive text message reminders from SHS**, be sure to provide your current cell phone number and check the box beside "I would like to receive text message reminders."
- click Save to apply changes.

You may also complete the Texting **Opt-In/Opt-Out** form on the Forms page by selecting the **Form** button. Complete the template to opt-in for texting.
