You are in a School, Not a Salon. Students are practicing on you.
They are not professionals. To get professional services done by professionals,
Go to a professional salon, Not a school.

Our teachers are here for the sole purpose of instructing students and
are **NOT** Permitted to solely perform clinic services on a client.

Difficult or challenging customers may be asked to leave.

If asked to leave, please comply quickly and quietly.

*We suggest you **Do Not Wear** Good Clothes when having your hair done, especially Chemical Services
There is always a chance that bleach or color or other products could get on your clothes.
Although we will do our best to protect you through proper draping, you are assuming responsibility for your
own clothing.*

Signing in at the counter releases the school from any and all liability. The following is on each page of the Sign-in sheet. All persons requesting services must sign the release form below prior to receiving services.

*I have signed above acknowledging that I am in the Bucks County School of Beauty Culture inc., a **SCHOOL** of Cosmetology and or Beauty Culture. I understand and agree with the following: The students performing services on me are learning and they are students, not employees of the school. The students are not being held out as trained, skilled or professional operators. There has been a considerable reduction in the prices of the services because students, not professionals, are performing the service. In consideration of the reduced price and with the understanding that students are performing the services you agree to **NOT** now or in the future hold the school, proprietors, officers, agents, teachers or students liable or accountable for any services or work performed on me*

Clinic charges are for reasonable cost of materials only and include but are not limited to: administrative assistant time for scheduling, the products used, towels, paper products, water, electric, insurance, phones, janitorial services, clinic facility and machinery maintenance and repairs, parking maintenance, security, computer services, product waste/loss and other financial commitments necessary to provide students with the learning experiences during their training.
