

Cactus Garden Essay

Three paragraphs essay: at least one page long if typed, one and a half if hand written.

Paragraph 1: Introduction to all the **living** and **nonliving** things in the cactus garden (at least 5 sentences)

Paragraph 2: Explain how they are related to one another, their interactions, purposes, etc. (at least 10-15 sentences).

Paragraph 3: Based on the information gathered, can this be a good representation of a real desert **ecosystem**, why or why not? (at least 5 sentences).
