

Career Cluster Survey

In this activity, you are attempting to find a career that best suits your interests. It is an opportunity to think about a career that will use the talents and qualities that you already possess. Try to be as honest as possible when answering the questions in order to get the most accurate results.

- Go to <https://www.careerwise.mnscu.edu/careers/clusterSurvey>
- Click on “Get Started” and select all of the activities, personal qualities, and school subjects that appropriately describe you and what you like to do.
- When finished, look at your three “Top Matching Career Clusters” – these are general career categories that describe the types of jobs you might be right for
- Click on a cluster, and find the link that says “Careers In This Cluster”, then click on specific careers and identify the wages, education, and job tasks for that career
- Go back to your “Top Matching Career Clusters” and do the same thing for the other two clusters
