

To my Dear Patients - Retirement Letter

I would like to take this opportunity to thank you for your trust and confidence in permitting me to take care of your dental needs through the years. It is with mixed emotions that I am announcing my retirement from dentistry. Because I want to be certain that my patients continue to receive the best possible care, I have carefully evaluated a number of candidates who were interested in assuming my practice. I have selected Dr. Victor Gut, whom I believe possesses the highest qualifications and is extremely well skilled in all phases of dentistry.

Dr. Gut is a graduate of New York University College of Dentistry. Before coming to the United States, Dr. Gut practiced dentistry in Czechoslovakia and Israel. For the past 8 years he worked as an associate with a reputable Dental Office in Vineland and is very excited to begin offering his services to you and your family. Dr. Victor Gut, his wife Elena, and son Dennis live in Moorestown, NJ.

I feel confident that Dr. Gut will continue to provide you and your family with the best dental care possible. Dr. Gut and the rest of the staff will be contacting you for your next regularly scheduled visit.

Unless I hear otherwise from you, your patient record will be transferred to Dr. Gut. Thank you again for your loyalty and confidence. I will miss all of you very much, but I know you will really like Dr. Gut.

Sincerely,

Dr. Charles K. Paxson, DMD
