

NU SKIN

NU COLOUR™
Eye Makeup Remover

Gentle emollients and cleansers are combined with natural rice bran oil to thoroughly remove makeup while providing moisture to the delicate eye area. Nu Colour Eye Makeup Remover is a non-greasy, hypo-allergenic, pH balanced formula that is clearly beneficial for even the most sensitive skin. Use to clean eyes as well as the entire face.

Benefits and Features

- Gently but effectively removes makeup—even waterproof formulas.
- Fragrance-free, non-greasy.
- Antioxidants provide environmental protection.
- Safe for sensitive eyes.
- Safety-Allergy-Dermatologist Tested.

Essential Ingredients

- Jojoba Oil is an excellent moisturizer and conditioner.
- Rice Bran Oil helps prevent moisture loss.
- Tocopheryl Acetate serves as an excellent moisturizer, conditioner and antioxidant.
- Bisabolol provides calming and soothing properties to the skin.

Usage

Apply eye makeup remover to cotton round. Keeping eyes closed, gently stroke over lid and lashes until all traces of makeup are removed. Rinse with warm water.
