

Innovative Fabric Painting

Instructor: Nancy Graham

Thurs., Jan. 24, 5:30 – 8:30pm

Materials List:

Fabric~ This is a techniques workshop, so it is recommended that you bring 3 or 4 yards of cotton or muslin (pre-washed, non-synthetic--natural or white), cut or torn into fat quarters.

More Fabrics~ Feel free to bring any laces, trims, ribbons, silk, cheesecloth, tee shirts, onsies, socks, napkins, pillow cases etc. that you would like to experiment with. www.dharmatrading.com has great options for fabrics, garments, and anything else you may ever want to use for fiber artwork. The more fabric you bring, the more you can experiment with, and the more finished projects you leave class with!

Scissors ~or use the ones in the studio. If you bring your own, don't bring your best pair

A permanent marker such as a **Sharpie**

A few **Ziploc baggies** (quart size or larger) to carry your wet work home in

Paper towels~ There will be some in the studio, but we recommend coming with your own roll~ you can also bring a **cleanup rag** instead - sometimes these end up being so beautiful that they become the artwork!

To Wear:

Apron, smock or old shirt~ Don't wear anything that you wouldn't want paint on, it will happen!

Rubber Gloves~ the type you do dishes in
