

MULTIPLICATION CHARTS

Thanks for downloading these multiplication charts.

Please be aware that this free resource is for personal use only and is protected by copyright.

Please take a minute to read my terms of use below:

Please do:

- use this resource with your kids at home or with your own class of students at school.
- share this resource on social media - please provide a link to the blog post.
- pin this blog post on Pinterest - please pin the pinnable image in the blog post (not the pdf itself).

Please don't:

- share digital copies of this resource with others - please instead direct interested parties to my website.
- remove the copyright from this document and/or claim it as your own to sell or give away for free.
- post this document on the internet, either on a personal blog or a classroom, school or district-wide website.
- alter this document or combine it with other work to create a new product to either sell or give away for free.
- remove, share or sell any clipart images or photographs contained in this document.
