Pet Essay

I like all kinds of pets. Hamsters look cuddly. Parrots speak strangely. Cats are mostly silent. But if I had to choose between a cat and a dog, I would choose a dog.

Dogs are magnificent for safety. Dogs can keep you safe. They warn you of dangerous fires so you can go to safety. If someone is trying to wound you or pilfer something from you, your dog can scare the person away. They also help blind people by leading them across the street safely.

Dogs are awesome pets with which to exercise. I can take my dog for a run. I can play catch with it. I can wrestle my dog. I can also take it for an energetic walk.

Dogs are amazing companions. You can talk to them. They are also great listeners. If you are alone, dogs make good company. They are great pets to have around.

Dogs are great for safety. They are magnificent pets with which to exercise. They are also amazing companions. Dogs are great pets to get. What would you choose a cat or a dog?
