

RYLA Proposed Interview Questions

It is very important that each student have an interview regardless of how many you have apply or plan to send. It may be helpful to schedule the interviews back to back so you can more clearly compare the students. The interview should focus on things not included in their application. The interview can be as long or as short as you want, but it is suggested to be between 5-10 minutes in length and contain between 4-6 questions. The makeup of those interviewing should be Rotarians not directly involved with the prospective students, as to impose no bias. Feel free to add other questions to this list.
