Research Budget Proposal

This worksheet will help you identify, organize, and estimate the expenses you may incur during the time you are engaged in your research project. Provide any information you have in the blanks and put an estimated amount in the right column.

Save this document as a PDF, name it (LastNameFirstNameMcNairBudget.pdf) and submit to jon.crider@ttu.edu

Scholar: _____ Mentor: _____

Name of Research Project: _____

Materials/Supplies	COST \$
Are there specific materials like art supplies, equipment, laboratory materials, etc. that you need for your project?	
Explain	

Travel	COST \$
Will you need to fly, drive, or take a train or bus to the location where you will work on your project? How much will you need for this transportation? Remember, the McNair Funds cannot be used for transportation from Lubbock to your hometown.	
Explain	

Books and other materials	COST \$
Are there any textbooks, monographs, software, or other materials that you will need to complete your project that is not feasibly obtained through the library or would need to be used throughout the whole project?	
Explain	

Payments to Participants	COST \$
Will you be using Amazon MTurk or need to provide some sort of compensation for your research participants?	
Explain	

Other	COST \$
Are there any other costs associated with your project not mentioned above?	
Explain	

ESTIMATED TOTAL COSTS	\$
