

Year 7 Weekly Learning Planner

W/C 18.05.20	Overview of task Time you are expected to spend completing it This is to help you manage your week and monitor how well you are progressing.	Extra resource sites you could use.
Art	Colour and Portrait project/follow the instructions on the word document and send photos of your artwork if you can.	
Computing/iMedia	Cyberbullying web page. Directions on how to use it are in your classroom. Word document to complete.	
Drama/Music	Drama – Create a short script. Week 1. Plan the characters, setting and plot. Music – Week 1. Complete the Music PowerPoint on musical terms.	Resources will be uploaded to Google Classroom.
3D Design	Use the video to practice your shading techniques.	
Geography	Exploring England lesson 6- 'Is tourism in London a good or bad thing?' 1-2 hours of work.	
English	Mystery writing – continue working through the numbered tasks in the pack on mystery writing. You should be ready to upload you work by the end of the week (2-3 hours)	
French	Cultural awareness: research about 16 French speaking celebrities and write a profile in French for 4 of them. They can make a new presentation / word document/ poster	Google/bing translator for understading
History	We are moving onto a new topic Medieval Times. Please complete all the work on the Stone Castle Power point and send me your battle plan.	BBC Bite Size
Maths	We are starting a new topic "Introduction to probability learning". Use the powerpoint for learning and submit your working and answers to the probability worksheet by Friday. If complete, finish any unfinished tasks from previous weeks.	Mymaths
PE	Select at least two different activities off the NETFLEX Board to try from the King Arthur's PE Google Classroom (you need to have signed into this class).	
RE	Ethics- Why do children work? We are continuing to look at ethics. Work through the tasks on the power point and send me a copy of your work	Unicef UN Human rights
Science	Mr Saget's class – students are learning about the different types of rocks , how to group them and the rock cycle. There is a fun practical to do at home! Miss Mugford's class – We are looking at two of the types of rocks, sedimentary and igneous. You will be drawing a story board and answering some questions on how they are formed. Miss Mugford and Mrs Huggins' class – Mrs Huggins: we are doing a science research task this week. You need to make a fact sheet/poster and send it in. Miss Mugford: We are reviewing the topic as we have now finished, you need to complete the review sheet I have provided.	Websites shared on GoogleClassroom

My Plan for the week

W/c 18.05.20	Monday	Tuesday	Wednesday	Thursday	Friday
Chosen tasks/subjects to work on today and rough time to spend on it

What exercise or down time are you planning today?					

Remember: If you are finding any of your tasks difficult there are lots of places to get help:
The Internet (Choose reputable sites, not Wikipedia!) / BBC Bitesize / Seneca / MyMaths
Ask a friend or family member
Message your teacher through Google Classrooms
