

Condolence Message

It is with deep sorrow and pain, we share news of the sad demise of one of our beloved students, Ritwik Das. As a student, as a sportsman and as a convenor of University's Sports Society, he not only motivated the students but also the University for Improvisation and wide-ranging sports facilities in the National Law University Odisha. On behalf of the entire NLUO family, we extend our deepest sympathy to Ritwik's parents, family, friends, and teachers. This is a difficult time for everyone, but I know our students and staff will be able to lean on each other as they remember their classmate.

Please join us in taking a moment to acknowledge and remember this important member of our community.

May His Soul Rest in Peace!
