

Mario birthday invitation and envelope

Invite your favorite friends and family to your birthday party.

*Kids, ask a parent to help.

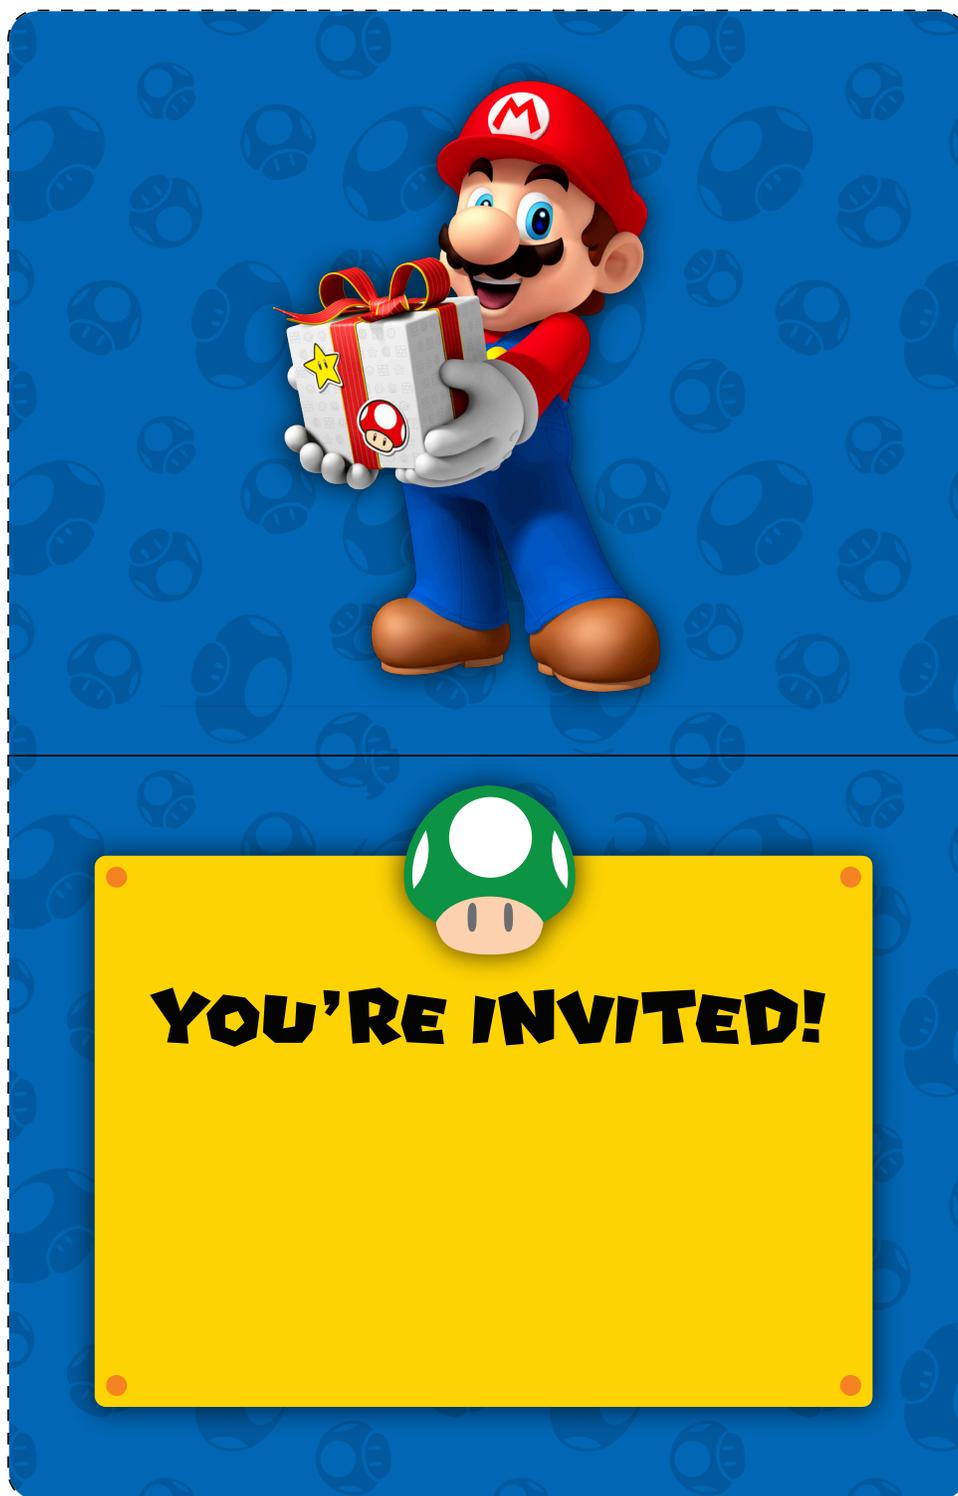

Materials:

Paper
Glue or tape
Pen or marker
Scissors*

Instructions

Step 1: Cut out birthday invitation and fold in half, then fill out all necessary information, like when and where the party is taking place.

Step 1: Cut out the envelope along the dotted lines. Fold in the side tabs along the solid lines. Then, fold the bottom tab and attach to side tabs using tape or glue. Fold the top tab to create flap. Slide the paper birthday invitation into the envelope, then use tape or glue to seal the envelope shut.
