WHAT

Here is a collection of Mandalas and outline drawings for you to colour in.

Choose any colours that comes to mind. Cut the page out of the book if you like and pin it on the wall, or put it in your window.

WHY

This booklet has been designed and printed by Chorlton Arts to be distributed freely amongst the children of Chorlton and also people living with mental health issues in the community.

WHO

Chorlton Arts is a Chorlton Voice project aiming to reconnect everything to do with art and the people of Chorlton. We aim to promote art in, by and for the people of Chorlton, irrespective of age, ability or situation; and to assist existing art facilities. We support inclusivity, equality and access for all.

Our primary aim is to bring together residents and venues active in the Visual Arts, Literary Arts, Performing Arts and Crafts at all levels, facilitating creativity within the Chorlton Community.

We have organised the longstanding Chorlton Arts Festival since 2019 and anchored it firmly in the community. We believe that everyone should be accepted as an artist irrespective of their capabilities. We want to help schools, performers, artists, art groups, poets, writers, playwrights, musicians, (bands, individual performers or singers) dancers and any other type of artist from Chorlton, to share their work, for the benefit of the community.

We are part of Chorlton Voice, a not for profit community association and everyone is a volunteer.

WITH

The booklet has been funded by buzz Manchester Health & Wellbeing Service. Communities are at the heart of everything buzz does, working to help individuals and families live fuller, healthier, happier and longer lives. buzz are part of Greater Manchester Mental Health NHS Foundation Trust, find out more about them at buzzmanchester.co.uk and @buzzmanc on Twitter.
