

## **Written Expression/Spelling Quiz**

Written Expression is the ability to express your thoughts on paper. It requires accurate spelling, correct sentence formation, rich vocabulary as well as organizational and logical reasoning skills.

Does your child...

- Spell words correctly on spelling test but then forget how to spell those words?
- Leave out vowels when spelling words?
- Spell words exactly as they sound?
- Leave out entire syllables when spelling words?
- Shut down when given a writing assignment?
- Have a hard time getting started on writing assignments?
- Struggle to pinpoint the topic?
- Lack sufficient background knowledge to provide details and explanations?
- Have trouble tying the cause – effect relationships together?
- Leave out pertinent information?
