OPM will conduct construction contractor performance evaluations for all construction projects managed by OPM regardless of the method of procurement.

## **2. SCHEDULE OF EVALUATION**

- (A) OPM will evaluate a Contractor’s performance during the course of each Project. The minimum frequency of evaluations will be based on the percent of physical work completed, as shown in the following table:

(B)

<b>MINIMUM FREQUENCIES OF PERFORMANCE EVALUATIONS</b>
---

<b>Contract Duration</b>	<b>Evaluation Frequency</b>
Up to 4 months	One: at final completion
Between 4 to 12 months	Two: at 50% and final completion
Beyond 12 months	Five: at 15%, 30%, 50%, 75% and final completion

(B) In addition to the above, OPM reserves the right to evaluate a Contractor's performance at any time during a Project provided that no less than thirty (30) calendar days has elapsed since the last performance evaluation.

### **3. PERFORMANCE EVALUATION**

The OPM Project Manager (PM) will be responsible for ensuring that the Contractor Performance Evaluation Form (Exhibit A) is completed and submitted to the Administrator in accordance with the above Section 2. The Contractor Performance Evaluation Form consists of two parts: Part 1 Summary Report, and Part 2 OPM Project Manager Report. Upon completing Part 2, the PM will complete Part 1 Summary Report and calculate the Contractor's overall performance rating for the project to-date. The PM will be responsible for completing and submitting its evaluation to the OPM Senior Project Manager (Senior PM) within 5 business days of Contractor's completion of an evaluation milestone as set forth in the table in Section 2(A) above, and additionally will be responsible for completing and submitting its evaluation to the Senior PM at such other times as OPM deems appropriate, in its sole discretion, in accordance with Section 2(B) above.

The Senior PM will be responsible for submitting the completed Contractor Performance Evaluation Form to the Administrator for review approval. The Administrator will review the Contractor Performance Evaluation Form to ensure that ratings are fair, consistent, and accurate based on the underlying facts and supporting documentation.

The ratings reflect the District's satisfaction with the Contractor's performance of the requirements of the Project from the date of the last evaluation (or from Project commencement if it is a first Project evaluation) **to the date of the current evaluation).**

### Excellent (100)

When applied to the individual evaluation sub-factor, a rating of excellent should be given if the contractor work far exceeds the contract requirements by consistently exhibiting excellent performance typically meets and regularly exceeds the contract requirements.

### Good (90)

When applied to the individual evaluation sub-factor, a rating of good should be given if the Contractor often exceeds the contract requirements and frequently provides a high level of performance, typically meets, and often exceeds the contract requirements.

### Satisfactory (80)

When applied to the individual evaluation sub-factor, a rating of satisfactory should be given if the Contractor provides an acceptable level of performance consistently meeting the contract requirements.

### Marginal (70)

When applied to the individual evaluation sub-factor, a rating of satisfactory should be given if the Contractor performs slightly below the requirements of the contract, meeting the contract requirements on an intermittent basis.

### Unsatisfactory (60)

When applied to the individual evaluation sub-factor, a rating of unsatisfactory should be given if the Contractor fails to meet important contract requirements, resulting in a negative impact on the entire project.

For any performance evaluation rating value below Satisfactory (80.0), the evaluator must provide written comments with specific explanations of how and when a Contractor failed to meet the contract requirements.

## **6. NOTIFICATION TO CONTRACTOR**

OPM will notify the Contractor of the results of the most recent performance evaluation. The notification will include a cover letter, and a copy of the Contractor Performance Evaluation Form with supporting documents, if any. If the overall Performance Rating is below Satisfactory (80.0), the cover letter will set forth a timeframe in which the Contractor must correct deficiencies to achieve an overall performance rating of at least satisfactory (80.0). If the Contractor fails to remedy the deficiencies within this timeframe, OPM will input results into the OPM database and submit a copy of evaluation and supporting documents to the Office of Contracts and Procurement (OCP) for inclusion in the Contractor's OCP file.

## **7. CONTRACTOR CHALLENGES**

A Contractor who wishes to challenge a performance evaluation shall submit its challenge in writing to the Deputy Director, with a copy to the Administrator, postmarked within fifteen (15) calendar days of date of notice.

The written challenge must include a detailed explanation, and documentation, if any, of the specific grounds for the challenge.

Failure to timely challenge a performance evaluation in the manner required will be deemed to be a waiver of Contractor's right to challenge that performance evaluation.

If a challenge, in accordance with this Section 7, is given by a Contractor, the results of the Contractor's performance evaluation will not be final (entered into the OPM database) until the Deputy Director renders a final written decision. Upon arriving at a final decision, the Deputy Director, or his designee, will forward said decision to the Contractor. If the Deputy Director's final decision is to maintain the overall Performance Rating, the Deputy Director will forward a copy of the decision to OCP and the Contractor shall be added to the OPM database and a copy of evaluation and supporting documents will be provided to OCP for inclusion in the Contractor's OCP file.
