

Federal Aviation Administration

Memorandum

Date: February 12, 2021

To: Neika Jones, Directives Program Manager (ASP-110)

From: Larry Grossman, Acting Director Information Security & Privacy Service, Chief Information Security Officer (CISO) - AIS-1

Subject: Request to Cancel legacy FAA Information Technology Security & Privacy orders and Policies

I hereby request cancellation of Several Information Technology Orders and Policies due to being obsolete and are now no longer in effect. The two orders and policies below are both remnants of a legacy OATS contract which is no longer in effect. These orders and policies require removal from the Agency registry and should be rescinded. The orders and policies to be removed from the registry include:

Number	Document Title	Issue Date
1370.52D	Information Resources Policy	12/31/1996
1370.75	Using the Office Automation Technology and Services Contract	1/2/1992
1370.71A	Procurement Authority for Federal Information Processing (FIP) Resources	9/4/1991
1370.68	Automated Data Processing Information Technology Facility (host Resource) Selection	9/11/1989
1370.32C	Use of Computer Time-Sharing Services	10/7/1987
1370.63	Maintenance Support for the Data General Management Information Computer Systems	9/10/1985
1370.62	Data General Computer and Software Standards	8/12/1985
1370.46D	Automatic Data Processing Standard System Identification	6/11/1982
