INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
INC Board, NFP
Aurora, Illinois

We have audited the accompanying financial statements of INC Board, NFP (an Illinois nonprofit organization), which comprise the statements of assets, liabilities and net assets – modified cash basis as of June 30, 2020 and 2019, and the related statements of activities – modified cash basis, functional expenses– modified cash basis and cash flows – modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and the net assets of INC Board, NFP as of June 30, 2020 and 2019, and its and the changes in its net assets and its cash flows for the years then ended in accordance with the modified cash basis of accounting as described in Note 2.

INDEPENDENT AUDITOR'S REPORT – CONTINUED

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on page 11 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

INC BOARD, NFP

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2020 AND 2019

NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES

INC Board, NFP (INC) is an Illinois not-for-profit corporation which was chartered on April 21, 1969, to promote the creation of local mental health boards authorized under 405 Illinois Compiled Statutes §20/3a.

In the November 1970 general election, voters of the townships of Aurora, Batavia, Big Rock, Blackberry, Kaneville and Sugar Grove in Kane County, Illinois, approved a community mental health tax referendum. Each of the six township boards appointed a seven-member community health board, known colloquially as a "708" board after the number of the Illinois House of Representatives resolution which created such entities. A seventh township, Virgil, joined the previous six as the result of a referendum passed in November 2000.

Each community 708 board recommends a mental health levy to its respective township board for inclusion among their levy submissions to the county. The county distributes the tax dollars collected to the townships, which remit the mental health portion of the taxes to the INC Board, the administrative body. The funds are then pooled and distributed to local agencies for selected, eligible services by the INC Board.

The INC Board of Directors is composed of fifteen members. There is one member for each of the township 708 boards, and eight members-at-large elected by the board. Contractual agreements exist between INC and the seven community mental health boards to carry out the work of the seven 708 boards in a regional approach to administration, which is permitted and delineated in the Illinois statute.

INC built and owns the Elizabeth Keeler Center, the 400 Mercy Lane Building, and the Thompson Rehabilitation Center, all situated on land in Aurora, Illinois purchased from the Mercy Center for Health Care Services and the Sisters of Mercy.

INC's continuing responsibility to the citizens of the seven townships is to assure the availability, accessibility and continuity of appropriate services for the mentally ill, developmentally disabled, and substance abusers.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Organization's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

MODIFIED CASH BASIS OF ACCOUNTING

INC Board, NFP maintains its accounting records and prepares its financial statements using a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles ("GAAP"). The Organization generally records revenue when received and expenses when paid. Real estate tax revenue from the subsequent year's levy that is received in the current year is reported as deferred revenue. Under GAAP, revenue and related receivables would be recorded when earned, and expenses and related liabilities would be recorded when incurred.

INC BOARD, NFP

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

JUNE 30, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

CASH AND CONCENTRATIONS OF RISK

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents are comprised of demand deposits, certificates of deposit and repurchase agreements with banks. The Organization maintains its cash with high quality financial institutions and deposits occasionally exceed federally insured limits.

CAPITALIZATION AND DEPRECIATION

Depreciation is provided for using the straight-line method in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives. The estimated service life of the assets for depreciation and amortization purposes may be different than their actual economic useful lives.

| | <u>Estimated Life</u> |
|----------------------------|-----------------------|
| Land improvements | 10 – 40 years |
| Buildings and improvements | 7 – 40 years |
| Furniture and equipment | 5 – 7 years |

The Organization reviews its investment in real estate for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. If the real estate is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the real estate exceeds the fair value of such property. There have been no impairment losses recognized through June 30, 2020.

Management had formal appraisals of the buildings and improvements performed which reported estimated market values totaling \$2.95 million at June 30, 2020.

RESTRICTIONS ON NET ASSETS

Support and revenues received that are restricted by the donor are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions in the statement of activities. Restricted support and revenues are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contribution is recognized. The Organization had no net assets with donor restrictions at June 30, 2020 or 2019.

IN-KIND DONATIONS TO AGENCIES

The excess of fair rental values over rents charged for facilities leased to service agencies with missions supported by the Organization is recognized as grant expense and corresponding rental income in the statement of activities (Note 4).

INC BOARD, NFP

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

JUNE 30, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

ESTIMATES

The preparation of financial statements in conformity with a modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

MANAGEMENT'S REVIEW

The Organization has evaluated subsequent events through September 28, 2020, the date which the financial statements were available to be issued.

NOTE 3 - LEASES (AS LESSOR)

The Organization leases facilities to service organizations with missions it supports at rental rates that are less than fair market rental values. Leases in effect at June 30, 2020 are as follows:

| <u>Lessee</u> | <u>Property</u> | <u>Lease Term</u> | <u>Rents Collected</u> | <u>Rents Donated</u> |
|--|--|--------------------|------------------------|----------------------|
| The Association for Individual Development | Elizabeth Keeler Center | Annual | \$ 38,588 | \$ 130,631 |

INC BOARD, NFP

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

JUNE 30, 2020 AND 2019

NOTE 3 - LEASES (AS LESSOR) – CONTINUED

Leases are generally renewable annually, unless terminated at the Organization's option. Future minimum rental income is \$201,372 for the year ending June 30, 2020 and \$4,800 in subsequent years. Management generally expects leases to be renewed or replaced in the normal course of business.

NOTE 4 - LEASE COMMITMENTS (AS LESSEE)

The Organization rents office space located in Sugar Grove, Illinois, and Elburn, Illinois under operating leases. The Sugar Grove lease is a five-year agreement with basic monthly payments of \$1,350 beginning November 1, 2019 and ending October 31, 2024. The previous lease was \$1,480 a month. The Elburn lease is one-year agreement beginning July 1, 2019 and continuing on a year-to-year basis with a basic monthly rent of \$805.

The Organization leases a copy machine under an operating lease agreement that expired in April 2019. Effective April 1, 2019, the Organization entered into a new lease agreement with minimum monthly lease payments totaling \$187. The lease ends in June 2024.

Annual future minimum lease commitments for agreements in effect at June 30, 2020 are as follows:

| Year ending June 30: | |
|----------------------|-------------------|
| 2021 | \$ 34,649 |
| 2022 | 18,449 |
| 2023 | 18,449 |
| 2024 | 18,449 |
| 2025 | <u>10,349</u> |
| | <u>\$ 100,345</u> |

NOTE 6 - INCOME TAXES

The Organization is tax exempt under Internal Revenue Code Section 501 (c) (3), is classified as a public charity and has no unrelated business income. Accordingly, no provision for income taxes is reported.

The financial statement effects of a tax position taken or expected to be taken are recognized when it is more likely than not, based on technical merits, that the position will be sustained upon examination. As of June 30, 2020, the Organization had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

INC BOARD, NFP

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

JUNE 30, 2020 AND 2019

NOTE 7 - PENSION PLAN

The Organization maintains a qualified 403(b) pension plan for its employees. Employer contributions to the plan are based on the employee's annual compensation and years of service. The employee may also contribute to the pension as allowed under the plan. Employer contributions to the plan totaled \$6,911 and \$17,536 during the years ended June 30, 2020 and 2019, respectively.

NOTE 8 – NEW ACCOUNTING POLICIES

NEW ACCOUNTING STANDARD – REVENUE FROM CONTRACTS

In May 2014, the FASB issued ASU No. 2014-09, Revenue from Contracts with Customers (Topic 606), which supersedes the revenue recognition requirements in Accounting Standards Codification 605, Revenue Recognition. ASU No. 2014-09 provides for a single five-step model to be applied to all revenue contracts with customers. ASU No. 2014-09 also requires additional financial statement disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments. ASU No. 2014-09 is effective for annual reporting periods beginning after December 15, 2018. The Organization has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively for all periods presented.

NEW ACCOUNTING STANDARD – LEASES

In February 2016, the FASB issued ASU No. 2016-02, Leases, which is intended to improve financial reporting about leasing transactions. ASU No. 2016-02 requires that leased assets be recognized as assets on the statement of financial position and the liabilities for the obligations under the lease also be recognized on the statement of financial position. ASU No. 2016-02 requires disclosures to help investors and other financial statement users better understand the amount, timing and uncertainty of cash flows arising from leases. The required disclosures include qualitative and quantitative requirements. ASU No. 2016-02 is effective for fiscal years beginning after December 15, 2020 and interim periods within those fiscal years. Early adoption is permitted. ASU No. 2016-02 must be adopted using a modified retrospective transition and provides for certain practical expedients. Transition will require application of the new guidance at the beginning of the earliest comparative period presented. The Organization is currently evaluating the methods of adoption allowed by ASU No. 2016-02 and the effect that ASU No. 2016-02 is expected to have on its financial position, results of operations, cash flows and related disclosures.

NOTE 9 – LIQUIDITY OF ASSETS

As part of the Organization's liquidity management plan, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations become due. In addition, as part of its liquidity management, the Organization invests cash in excess of daily requirements in various short-term investments, including certificates of deposit and money market accounts. To help manage unanticipated liquidity needs, the Organization maintains financial assets on hand to meet a minimum of one year of normal operating expense.

The Organization has \$750,787 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of cash of \$750,787.
