

TEMPORARY UTILITY FOR CONSTRUCTION AGREEMENT (NEW COMMERCIAL/RESIDENTIAL PROJECTS)

The undersigned does hereby understand and agree that the temporary power for construction connected to the electrical equipment in the location to be used for permanent power is for ***construction purposes ONLY***. This electrical power is not to be used as electrical power for occupancy of the building until a certificate of occupancy has been issued.

The certificate of occupancy and a final utility clearance will be issued when the Town of Prescott Valley's Building, Public Works and Engineering and Planning and Zoning Departments requirements are completed, or arrangements have been made with the individual departments for completion of all their requirements. If the building should be occupied prior to the completion of the above requirements or compliance with this agreement, the Town of Prescott Valley Building Official shall, at his option have the right to order the temporary electrical power disconnected from the building, or portion of the building, which has been occupied without the proper certificate of occupancy or approvals. Neither the Town of Prescott Valley nor the utility company will be held liable for any damages caused by this loss of electrical power.

I agree that I must complete my construction project within 365 calendar days and receive a certificate of occupancy prior to the 365th day, and further that I will not allow 180 days to elapse without an inspection in compliance with Chapter Seven of the Town of Prescott Valley ordinances. Failure to comply with this requirement may result in certain penalties levied against me and the expiration of this permit.
