

Unit Circle Worksheet

Label the Circle

- Mark and label the angles at key points such as 0° , 30° , 45° , 60° , 90° , 120° , 135° , 180° , 225° , 270° , 315° , and 360° .
- Label the corresponding radians for each angle.
- Indicate the coordinates for each point on the circle.
